TRIEBEL Neck Size Bushing Safety Instruction Guide

Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read this guide carefully before using the bushing.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to be used with Triebel neck sizing dies.
- Regularly inspect the bushing for any signs of wear or damage before each use.
- Keep the bushing out of reach of children and vulnerable individuals to prevent accidental injury.
- If you notice any defects or unusual wear, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling the bushing.
- Do not exceed the specified dimensions and tolerances when using the bushing with neck sizing dies.
- Avoid using the bushing in environments that expose it to extreme temperatures or corrosive substances.
- Follow the manufacturer's instructions for the specific neck sizing die you are using with the bushing.

Instructions for Installation and Usage

1. Installation

- Ensure that the neck sizing die is securely mounted in your reloading press.
- Carefully insert the TRIEBEL Neck Size Bushing into the neck sizing die, ensuring it fits snugly.
- Make sure the bushing is properly aligned to avoid misalignment during use.

2. Usage

- Place the casing you wish to size into the reloading press.
- Engage the press to size the casing using the neck size bushing.
- Monitor the process closely to ensure proper sizing and to avoid any potential hazards.
- After use, carefully remove the bushing and clean it according to the manufacturer's instructions.

Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of the bushing in regular household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any safety inquiries or concerns regarding the TRIEBEL Neck Size Bushing, please refer to the contact information provided by your retailer or distributor.

Conclusion

By following these safety instructions, you can help ensure a safe and effective experience with the TRIEBEL Neck Size Bushing. Always prioritize safety and adhere to the guidelines outlined in this document. Thank you for your attention to safety.
