MDT Chassis HNT26 Remington 700 Safety Instructions

Introduction

Thank you for choosing the MDT Chassis HNT26 for your Remington 700. This product is designed to enhance your hunting experience while prioritizing safety. Please read this manual carefully to ensure safe and effective use of the chassis system.

General Safety Guidelines

- Always handle the chassis with care to prevent accidental discharge.
- Ensure that the firearm is unloaded before installation or maintenance.
- Store the chassis and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.
- If you experience any issues with the chassis, cease use immediately and consult a professional.

Specific Safety Precautions for Use

- Ensure that the chassis is compatible with your specific Remington 700 model.
- Use only the recommended accessories and components with the MDT Chassis to avoid malfunctions.
- Be aware of your surroundings and ensure a safe shooting environment before use.
- Always wear appropriate safety gear, including eye and ear protection, when using the firearm.
- Avoid using the chassis in adverse weather conditions that may affect your safety or the performance of the firearm.

Instructions for Installation and Usage

1. Installation

- Begin by ensuring the firearm is unloaded.
- Remove any existing stock from the Remington 700.
- Align the MDT HNT26 chassis with the action of the firearm.
- Securely attach the chassis using the provided screws and tools, ensuring a tight fit.
- Attach the carbon fiber forend and grip according to the manufacturer's instructions.
- Finally, install the foamfilled carbon fiber buttstock, making sure it is securely fastened.

2. Usage

- Once installed, perform a function check to ensure that all components are operating correctly.
- Adjust the buttstock and forend to your preferred settings for optimal comfort and control.
- Always follow proper firearm handling procedures during use.
- After use, clean the chassis and firearm to maintain performance and longevity.

Disposal Instructions

- Dispose of the MDT Chassis in accordance with local regulations.
- If the chassis is damaged or no longer in use, consider recycling components where possible.
- Do not dispose of the chassis in regular household waste.

Contact Information for Further Support

For any inquiries or support regarding the MDT Chassis HNT26, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure responsible use of the MDT Chassis HNT26 and enjoy a safe hunting experience. Always prioritize safety and compliance with applicable laws.
