

# Chassis - HNT-26 - Tikka T3 - SA - RH - Folding - Non-ARCA - CKG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The first purpose-built hunting chassis from MDT. Weighing in starting at 26oz (for chassis, buttstock, forend and grip combined), this is the most ultra-light hunting chassis on the market. The MDT HNT26 is sold as a complete hunting chassis system including magnesium chassis base, carbon fiber forend, carbon fiber grip and foam filled carbon fiber buttstock.

# MDT Chassis HNT26 Tikka T3 Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Chassis HNT26 for your Tikka T3. This product is designed for safe and effective use in hunting applications. Please read this safety instruction guide carefully to ensure the safe operation of your chassis and to understand your rights as a consumer under the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Inspect the chassis regularly for wear or damage before each use.
- Ensure that all components are securely attached prior to use.
- Keep the chassis away from children and unauthorized users.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Use the MDT Chassis only with the specified Tikka T3 and T3x models.
- Ensure that the action type is set to "Short" for compatibility.
- Always handle the chassis with care to avoid injury.
- Do not modify the chassis in any way, as this may compromise safety.
- Use appropriate safety gear, including eye protection, when handling firearms.
- Be aware of your surroundings when using the chassis in the field.
- Follow all local laws and regulations regarding hunting and firearm use.

## Instructions for Installation and Usage

### 1. Installation:

- Begin by removing any existing stock from your Tikka T3 or T3x.
- Attach the magnesium chassis base securely to the action of the firearm.
- Install the carbon fiber forend by aligning it with the chassis and securing it with the provided screws.
- Attach the carbon fiber grip to the chassis, ensuring it is firmly in place.
- Finally, install the foamfilled carbon fiber buttstock to the rear of the chassis.

### 2. Usage:

- Before using the chassis, ensure that your firearm is unloaded.
- Check that all components are properly secured and that there are no loose parts.
- When ready to use, assume a stable shooting position and ensure that the firearm is aimed safely.
- After use, clean the chassis and inspect for any signs of wear or damage.

## Disposal Instructions

- Dispose of the MDT Chassis responsibly in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Consider recycling components where possible, particularly the carbon fiber parts.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT Chassis HNT26, please refer to the manufacturer's official website or contact your local retailer for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT Chassis HNT26. Thank you for your attention to these important safety guidelines.
