MDT Chassis HNT26 Remington 700 Safety Instruction Guide

Introduction

Thank you for choosing the MDT Chassis HNT26 for your Remington 700 rifle. This product is designed with the utmost care to provide a lightweight and durable hunting experience. However, it is essential to follow the safety instructions outlined in this guide to ensure safe and effective use.

General Safety Guidelines

- Always handle firearms responsibly and in accordance with local laws and regulations.
- Ensure that you are familiar with the operation of your Remington 700 rifle before using the MDT Chassis.
- Keep the MDT Chassis and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- If you notice any defects or issues, do not use the product and contact customer support for assistance.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before attaching or detaching the chassis.
- Always use the MDT Chassis in a safe and controlled environment.
- Avoid using the chassis in wet or muddy conditions to prevent slips and falls.
- Do not exceed the manufacturer's recommended weight limits for the chassis.
- Be cautious when folding or unfolding the chassis to prevent pinching or injury.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the rifle is unloaded and the workspace is clean and dry.
2. **Attach the Chassis:**
 - Align the Remington 700 action with the MDT Chassis base.
 - Secure the action using the provided screws, ensuring they are tightened according to the manufacturer's specifications.
3. **Install the Forend:**
 - Attach the carbon fiber forend to the chassis, ensuring it locks securely in place.
4. **Attach the Grip:**
 - Secure the carbon fiber grip to the designated area on the chassis.
5. **Install the Buttstock:**
 - Attach the foamfilled carbon fiber buttstock, ensuring it is locked into position.

Usage

- Always check that the rifle is securely mounted in the chassis before use.
- Practice safe handling and shooting techniques at all times.
- Regularly check that all components are secure during use.

Disposal Instructions

- When disposing of the MDT Chassis, follow local regulations regarding the disposal of composite materials.
- Do not incinerate the product, as it may release harmful substances.
- If possible, recycle the chassis components according to local recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the MDT Chassis HNT26, please refer to the manufacturer's website or contact customer support through the provided channels. Ensure you have your product details ready for a more efficient service.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MDT Chassis HNT26 for the Remington 700. Thank you for your attention to safety.
