

# Chassis - HNT-26 - Remington 700 - MDT Chassis - HNT-26 - Remington700 - LA - RH - Folding - Non-ARCA - CKG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The first purpose-built hunting chassis from MDT. Weighing in starting at 26oz (for chassis, buttstock, forend and grip combined), this is the most ultra-light hunting chassis on the market. The MDT HNT26 is sold as a complete hunting chassis system including magnesium chassis base, carbon fiber forend, carbon fiber grip and foam filled carbon fiber buttstock.

# MDT Chassis HNT26 Remington 700 Safety Instructions

## Introduction

Thank you for choosing the MDT Chassis HNT26 for your Remington 700 rifle. This product is designed with the utmost care for safety and performance. Please read this safety instruction guide thoroughly to ensure safe and proper use of your MDT Chassis.

## General Safety Guidelines

- Ensure that the MDT Chassis is installed correctly according to the provided instructions.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Keep the MDT Chassis and all related components out of reach of children and unauthorized users.
- Regularly inspect the chassis and all components for signs of wear or damage.
- Follow all local laws and regulations regarding firearm usage and modifications.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the area around you is clear of people and obstacles before discharging a firearm.
- Do not modify the MDT Chassis or any of its components without consulting a qualified gunsmith.
- Be aware of your surroundings and ensure a safe backstop when shooting.
- Do not use the chassis for any purpose other than its intended use with the Remington 700 rifle.

## Instructions for Installation and Usage

### 1. Installation of the MDT Chassis:

- Ensure that your Remington 700 rifle is unloaded and safe.
- Remove the existing stock from the rifle by following the manufacturer's instructions.
- Align the MDT Chassis with the action of the rifle.
- Secure the chassis to the action using the provided screws and tools.
- Attach the carbon fiber forend and grip as per the assembly instructions included with the product.
- Install the foam filled carbon fiber buttstock securely to ensure stability.

### 2. Usage Instructions:

- Before using the rifle, perform a thorough check to ensure all components are securely attached.
- Adjust the buttstock and grip to your preferred settings for comfort and control.
- Always check that the rifle is in a safe condition before handling or transporting it.
- Practice safe shooting techniques and maintain proper firearm handling at all times.

## Disposal Instructions

- Dispose of the MDT Chassis and its components in accordance with local regulations.
- Avoid disposing of the product in regular household waste.
- If the chassis is damaged or no longer in use, consider recycling the materials where possible.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or usage of the MDT Chassis HNT26, please refer to the contact information provided in the product packaging or visit the manufacturer's website for further assistance.

Thank you for your attention to these safety guidelines. Your safety and the safety of those around you is our highest priority. Enjoy using your MDT Chassis responsibly.
