

# Chassis - HNT-26 - Tikka T3 - LA - RH - Folding - Non-ARCA - BCF

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The first purpose-built hunting chassis from MDT. Weighing in starting at 26oz (for chassis, buttstock, forend and grip combined), this is the most ultra-light hunting chassis on the market. The MDT HNT26 is sold as a complete hunting chassis system including magnesium chassis base, carbon fiber forend, carbon fiber grip and foam filled carbon fiber buttstock.

# MDT Chassis HNT26 Tikka T3 Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Chassis HNT26 designed for the Tikka T3 series. This guide provides essential safety instructions to ensure the safe use and maintenance of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using your chassis.

## General Safety Guidelines

- Ensure that the chassis is used only for its intended purpose.
- Regularly inspect the chassis for any signs of wear or damage.
- Keep the chassis out of reach of children and vulnerable individuals.
- Use the chassis in a safe environment, free from distractions and hazards.
- Always follow local laws and regulations regarding the use of firearms and hunting equipment.

## Specific Safety Precautions for Use

- **Proper Handling:** Always handle the chassis with care. Avoid dropping or subjecting it to excessive force.
- **Weight Limit:** Be aware of the total weight of your firearm setup. Ensure it is manageable for safe handling.
- **Shooting Position:** Use the chassis in a stable position to ensure accuracy and safety while shooting.
- **Cleaning and Maintenance:** Follow the instructions for cleaning and maintenance to prevent malfunctions.
- **Modifications:** Do not modify the chassis in any way that could compromise its safety or functionality.

## Instructions for Installation and Usage

### Installation

1. **Unpack the Chassis:** Carefully remove the chassis, buttstock, forend, and grip from the packaging.
2. **Check Components:** Ensure all components are present and undamaged.
3. **Attach the Action:** Follow the manufacturer's instructions to securely attach the action of your Tikka T3 to the chassis.
4. **Install the Buttstock:** Attach the foamfilled carbon fiber buttstock to the rear of the chassis.
5. **Attach the Forend and Grip:** Secure the carbon fiber forend and grip to their respective positions on the chassis.

### Usage

1. **Load and Unload:** Follow proper safety procedures for loading and unloading your firearm.
2. **Sighting:** Ensure your sights are properly aligned before taking any shots.
3. **Firearm Safety:** Always treat your firearm as if it is loaded. Keep the muzzle pointed in a safe direction.
4. **PostUse Care:** After use, clean the chassis according to the cleaning instructions provided by the manufacturer.

## Disposal Instructions

- Dispose of the chassis and any associated components in accordance with local environmental regulations.
- Consider recycling materials where possible, especially carbon fiber components.

- Do not dispose of the chassis in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information provided with your product packaging.

By adhering to these safety instructions, you can ensure a safer and more enjoyable experience with your MDT Chassis HNT26 Tikka T3. Thank you for your attention to safety!
