

# Chassis - HNT-26 - Savage - LA - RH - Folding - Non-ARCA - BCF

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The first purpose-built hunting chassis from MDT. Weighing in starting at 26oz (for chassis, buttstock, forend and grip combined), this is the most ultra-light hunting chassis on the market. The MDT HNT26 is sold as a complete hunting chassis system including magnesium chassis base, carbon fiber forend, carbon fiber grip and foam filled carbon fiber buttstock.

# MDT Chassis HNT26 Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Chassis HNT26. This product is designed for safe and effective use in hunting scenarios. It is important to follow the safety guidelines and instructions outlined in this manual to ensure optimal performance and safety.

## General Safety Guidelines

- Always handle the MDT Chassis HNT26 with care and respect.
- Ensure that the product is used only for its intended purpose as a hunting chassis.
- Familiarize yourself with the product before use, including all components and their functions.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage.
- Do not modify the chassis in any way that may compromise its safety or performance.
- Always follow local laws and regulations regarding hunting equipment.

## Specific Safety Precautions for Use

- Ensure that the chassis is securely attached to the firearm before use.
- Always use appropriate ammunition that is compatible with the firearm and chassis.
- When in the field, be aware of your surroundings and ensure a safe shooting environment.
- Use proper eye and ear protection while using the chassis and firearm.
- Avoid using the chassis in adverse weather conditions that may affect performance.
- Do not point the firearm at anything you do not intend to shoot.
- Always keep the firearm pointed in a safe direction when loading or unloading.

## Instructions for Installation and Usage

### Installation

1. Begin by ensuring that the firearm is unloaded.
2. Remove the existing stock from the firearm according to the manufacturer's instructions.
3. Align the MDT Chassis HNT26 with the action of the firearm.
4. Securely fasten the chassis using the provided screws and tools.
5. Attach the carbon fiber forend and grip as per the assembly instructions included with the chassis.
6. Ensure that the foamfilled carbon fiber buttstock is securely attached.

### Usage

- Before each use, check that all components are securely attached and functioning properly.
- Adjust the buttstock and forend to fit your personal preferences for comfort and stability.
- When ready to use, load the firearm according to the manufacturer's guidelines.
- Practice safe handling techniques while using the chassis in the field.

## Disposal Instructions

- Dispose of the MDT Chassis HNT26 in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Consider recycling components where possible, especially carbon fiber parts.
- If the product is damaged beyond repair, take it to a designated waste disposal facility.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the MDT Chassis HNT26, please reach out to your local retailer or the manufacturer directly. Ensure to have your product details ready for reference.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with the MDT Chassis HNT26. Always prioritize safety and compliance with local regulations while using this product. Thank you for your attention to these important safety measures.
