# MDT Chassis HNT26 Remington 700 Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Chassis HNT26 for your Remington 700. This product is designed to provide a lightweight and durable solution for hunting applications. To ensure your safety and the longevity of your product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always handle the MDT Chassis with care to prevent accidents.
- Ensure that the chassis is used only with compatible firearms.
- Regularly inspect the chassis for any signs of wear or damage.
- Avoid exposing the chassis to extreme temperatures or harsh environmental conditions.
- Keep the chassis out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Firearm Compatibility:** Ensure that the MDT Chassis is compatible with your Remington 700 model. Using incompatible firearms can lead to malfunctions or accidents.
- **Proper Handling:** Always treat the chassis as if it is loaded. Keep your finger off the trigger until you are ready to shoot.
- **Shooting Environment:** Use the chassis in a safe and controlled environment. Be aware of your surroundings and ensure that you have a clear line of sight.
- **Protective Gear:** Always wear appropriate protective gear, including eye and ear protection, when using the chassis.
- **Maintenance:** Regularly clean and maintain the chassis to ensure optimal performance. Follow the manufacturer's guidelines for cleaning and maintenance procedures.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Remove the existing stock from your Remington 700.
- Align the MDT Chassis with the action of the firearm.
- Secure the chassis using the provided screws and tools, ensuring it is tightly fastened.
- Attach the carbon fiber forend, grip, and buttstock according to the manufacturer's instructions.

### 2. Usage:

- Before each use, perform a safety check to ensure the chassis is securely attached to the firearm.
- Familiarize yourself with the features of the MDT Chassis, including the adjustments for the buttstock and grip.
- Practice shooting in a safe environment to become accustomed to the new chassis setup.

## Disposal Instructions

- Dispose of the MDT Chassis in accordance with local regulations.
- Do not dispose of the chassis in regular household waste. Instead, take it to a designated recycling or hazardous waste facility.

- Ensure that any components that can be recycled are separated and disposed of appropriately.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or usage of the MDT Chassis HNT26, please refer to the manufacturer's website or customer support resources. It is important to have access to accurate information for your safety and the proper use of the product.

By following these guidelines, you can ensure a safe and enjoyable experience with your MDT Chassis HNT26 for Remington 700. Always prioritize safety and responsible usage.
