

Chassis - HNT-26 - Remington 700 - MDT Chassis - HNT-26 - Remington700 - LA - RH - Fixed - Non-ARCA - CKG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The first purpose-built hunting chassis from MDT. Weighing in starting at 26oz (for chassis, buttstock, forend and grip combined), this is the most ultra-light hunting chassis on the market. The MDT HNT26 is sold as a complete hunting chassis system including magnesium chassis base, carbon fiber forend, carbon fiber grip and foam filled carbon fiber buttstock.

Safety Instruction Guide for MDT Chassis HNT26 Remington 700

Introduction

Thank you for purchasing the MDT Chassis HNT26 Remington 700. This guide provides essential safety instructions to ensure the safe use and handling of your new hunting chassis. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a hunting chassis.
- Always handle the chassis with care to avoid injury.
- Store the product in a safe location, out of reach of children and pets.
- Regularly inspect the chassis for signs of wear or damage before use.
- If you notice any defects or issues, cease use immediately and consult a professional.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as eye protection, when using the chassis in conjunction with firearms.
- Ensure that the firearm is unloaded before attaching or removing the chassis.
- Do not modify the chassis in any way, as this may compromise safety and performance.
- Be aware of your surroundings and ensure a safe shooting environment when using the chassis.
- Follow all local laws and regulations regarding firearm use and hunting.

Instructions for Installation and Usage

1. Installation

- Ensure the workspace is clean and free of distractions.
- Unbox the MDT Chassis and verify that all components are included (magnesium chassis base, carbon fiber forend, carbon fiber grip, foamfilled carbon fiber buttstock).
- Attach the chassis to the Remington 700 according to the manufacturer's specifications. Ensure all screws and fittings are secure.
- Check that the chassis is properly aligned with the firearm.

2. Usage

- Familiarize yourself with the operation of the chassis before use.
- When using the chassis, maintain a firm grip and ensure proper stance.
- Practice safe firearm handling at all times, keeping the muzzle pointed in a safe direction.
- After use, clean the chassis according to the manufacturer's recommendations to maintain its condition.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Consider recycling components where possible, especially carbon fiber materials.

Contact Information for Further Support

For safety inquiries or additional support regarding your MDT Chassis HNT26 Remington 700, please consult the manufacturer's website or customer service resources.

Thank you for prioritizing safety and responsible use. Enjoy your hunting experience with the MDT Chassis!
