# MDT Chassis HNT26 Remington 700 Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Chassis HNT26 for your Remington 700. This product is designed to enhance your hunting experience while ensuring your safety and the safety of others. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always follow local laws and regulations regarding the use of firearms and hunting equipment.
- Ensure that you are familiar with the operation of your firearm before using it with the MDT Chassis.
- Regularly inspect the chassis and your firearm for any signs of wear or damage.
- Store the chassis in a secure location away from children and unauthorized users.
- Do not modify the chassis or any of its components without consulting the manufacturer.
- Always handle firearms with care, treating every firearm as if it is loaded.

## Specific Safety Precautions for Use

- Ensure that the MDT Chassis is properly attached to your Remington 700 before use.
- Do not exceed the weight limit specified by the manufacturer for the chassis and accessories.
- Use the chassis only with compatible firearms and accessories.
- When using the chassis, maintain a safe distance from other individuals and ensure that the area is clear of obstacles.
- Be aware of your surroundings and ensure that you have a clear line of sight when aiming and shooting.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.

## Instructions for Installation and Usage

### Installation

1. **Prepare Your Workspace:** Ensure you are in a clean, welllit area free from distractions.
2. **Gather Tools and Components:** You will need the following:
  - MDT HNT26 Chassis
  - Remington 700 Firearm
  - Appropriate tools (refer to the manufacturer's manual for specific tools required)
3. **Attach the Chassis:**
  - Remove the existing stock from your Remington 700.
  - Align the chassis with the receiver of the firearm.
  - Securely fasten the chassis to the firearm using the provided hardware. Ensure all screws are tightened according to the manufacturer's specifications.
4. **Check Alignment:** Ensure that the chassis is aligned properly and that there are no gaps between the chassis and the firearm.
5. **Attach Accessories:** If using additional components such as a forend or grip, follow the manufacturer's instructions for installation.

### Usage

1. **Before Use:** Always check that the firearm is unloaded and in safe condition.
2. **Loading the Firearm:** Follow the manufacturer's instructions for loading your Remington 700 safely.
3. **Aiming and Shooting:**
  - Hold the chassis firmly and maintain a stable shooting position.
  - Ensure that your finger is off the trigger until you are ready to shoot.

- Aim only at targets that are safe and legal to shoot at.
4. **PostUse Care:** After using the chassis, clean and inspect both the chassis and the firearm to ensure they remain in good condition.

## Disposal Instructions

- Dispose of the MDT Chassis in accordance with local regulations regarding electronic and plastic waste.
- Do not dispose of the chassis in regular household waste.
- Consider recycling options where available.

## Contact Information for Further Support

For any questions or concerns regarding the MDT Chassis HNT26 or its safety, please reach out to the manufacturer or authorized dealers. Ensure you have the product details ready for a more efficient support experience.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our top priority. Enjoy your hunting experience with the MDT Chassis HNT26!
