# MDT Chassis HNT26 Remington 700 Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Chassis HNT26 for your Remington 700. This product has been designed with safety in mind, adhering to the EU General Product Safety Regulation (GPSR). This guide provides important safety instructions and guidelines to ensure the safe use and maintenance of your hunting chassis.

## General Safety Guidelines

- Always read and understand all instructions before using the MDT Chassis.
- Keep this guide in a safe place for future reference.
- Ensure that the product is used only for its intended purpose.
- Always inspect the chassis before use for any signs of damage or wear.
- Use only compatible components and accessories with the MDT Chassis.
- Be aware of your surroundings and ensure that the area is safe for use.
- Store the chassis in a secure location away from children and unauthorized users.

## Specific Safety Precautions for Use

- Ensure that the chassis is properly installed on your Remington 700 before use.
- Do not exceed the manufacturer's specified weight limit for the chassis and its components.
- Always wear appropriate safety gear when handling firearms.
- Avoid using the chassis in adverse weather conditions that may compromise safety.
- If you notice any unusual sounds, movements, or performance issues during use, stop immediately and inspect the chassis.
- Never modify the chassis or its components in any way that could affect its safety or performance.
- Always follow local laws and regulations regarding firearms and hunting equipment.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure you have all components including the chassis base, forend, grip, and buttstock.
2. **Assembly:**
  - Start by attaching the chassis base to the Remington 700 action.
  - Secure the forend to the chassis base, ensuring it is tightly fitted.
  - Attach the grip to the chassis, ensuring it is firmly in place.
  - Finally, install the foamfilled carbon fiber buttstock, making sure it is securely attached.
3. **Final Inspection:** Doublecheck all connections to ensure everything is secure and properly installed.

### Usage

- Before each use, conduct a safety check of the entire setup.
- Ensure that the firearm is unloaded before handling or adjusting the chassis.
- When ready to use, load the firearm according to the manufacturer's instructions.
- Always point the firearm in a safe direction when handling.
- After use, clean and maintain the chassis according to the recommendations provided by the manufacturer.

## **Disposal Instructions**

- When disposing of the MDT Chassis, ensure that it is done in accordance with local regulations regarding electronic waste and materials.
- If the chassis is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the chassis in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the MDT Chassis HNT26, please refer to the manufacturer's contact details provided with the product.

## **Conclusion**

Your safety is paramount when using the MDT Chassis HNT26. By following the guidelines and precautions outlined in this manual, you can ensure a safe and enjoyable experience with your hunting chassis. Always stay informed about safety practices and updates regarding your product. Thank you for your commitment to safety and responsible use.
