MDT Chassis HNT26 Tikka T3 Safety Instruction Guide

Introduction

Thank you for choosing the MDT Chassis HNT26 Tikka T3. This product is designed for safe and effective use in hunting applications. Please read this safety instruction guide carefully to ensure safe handling and operation.

General Safety Guidelines

- Ensure that all users are familiar with the safe operation of firearms and hunting equipment.
- Always treat every firearm as if it is loaded, even if you believe it to be unloaded.
- Store the chassis and all associated components in a secure location, away from children and unauthorized users.
- Regularly inspect the chassis and its components for any signs of damage or wear.
- Follow all local laws and regulations related to hunting and firearm use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Use in Appropriate Conditions:** Only use the chassis in environments suitable for hunting and shooting.
- **Personal Protective Equipment:** Always wear appropriate safety gear, including eye and ear protection when using firearms.
- **Hand Position:** Keep your hands clear of the action and muzzle when loading or unloading the firearm.
- **Firing Range:** Use the chassis only at designated shooting ranges or approved hunting areas.
- **Temperature and Weather:** Avoid using the chassis in extreme weather conditions that could affect performance or safety.
- **Maintenance:** Follow the recommended maintenance schedule to ensure the chassis remains in safe working condition.

Instructions for Installation and Usage

1. Installation:

- Ensure that you have all components: magnesium chassis base, carbon fiber forend, carbon fiber grip, and foamfilled carbon fiber buttstock.
- Place the chassis on a stable surface.
- Attach the buttstock to the chassis base securely.
- Attach the forend to the chassis, ensuring it is firmly in place.
- Install the grip by aligning it with the designated area on the chassis and securing it.

2. Usage:

- Before using the chassis, ensure that your firearm is compatible with the Tikka T3 model.
- Load your firearm according to the manufacturer's instructions, ensuring the chassis is properly secured.
- When ready to shoot, assume a stable shooting position.
- Maintain control of the firearm at all times, and be aware of your surroundings.
- After use, unload the firearm and store it safely.

Disposal Instructions

- Dispose of the chassis and its components in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Consider recycling options for materials such as carbon fiber and magnesium, where applicable.

Contact Information for Further Support

For further assistance, please refer to the product packaging or visit the manufacturer's website for support resources and contact information.

Thank you for your attention to these safety guidelines. Enjoy your hunting experience with the MDT Chassis HNT26 Tikka T3!
