

# Chassis - HNT-26 - Tikka T3 - LA - RH - Folding - ARCA - CKG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The first purpose-built hunting chassis from MDT. Weighing in starting at 26oz (for chassis, buttstock, forend and grip combined), this is the most ultra-light hunting chassis on the market. The MDT HNT26 is sold as a complete hunting chassis system including magnesium chassis base, carbon fiber forend, carbon fiber grip and foam filled carbon fiber buttstock.

# MDT Chassis HNT26 Tikka T3 Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Chassis HNT26 for your Tikka T3 rifle. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your product. Please read this document thoroughly before using the chassis to maximize your safety and performance.

## General Safety Guidelines

- Ensure that the MDT Chassis is used only with compatible firearms as specified in the product description.
- Always handle firearms with care and treat them as if they are loaded.
- Keep the chassis and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding firearm usage and storage.
- Use protective gear such as eye and ear protection when handling firearms.

## Specific Safety Precautions for Use

- **Weight Limitations:** The MDT HNT26 is designed to be ultralight; however, ensure that any additional attachments do not exceed the weight limit specified by the manufacturer.
- **Installation:** Ensure all components are securely installed before use. Loose parts can lead to malfunctions.
- **Environment:** Avoid using the chassis in extreme weather conditions that could affect performance, such as heavy rain or extreme heat.
- **Transport:** When transporting your firearm with the chassis, ensure it is unloaded and secured in a case.
- **Shooting Range:** Always follow the rules and regulations of the shooting range regarding firearm and accessory use.

## Instructions for Installation and Usage

### Installation

1. **Unpack the Chassis:** Carefully remove the MDT HNT26 from its packaging. Check for any visible damage.
2. **Attach the Chassis:**
  - Align the chassis with the Tikka T3 action.
  - Securely fasten using the provided screws and tools.
  - Ensure that the forend, grip, and buttstock are properly attached and tightened.
3. **Final Check:** After installation, doublecheck all connections to ensure they are secure.

### Usage

- **Loading the Firearm:** Only load the firearm when you are ready to shoot. Always point the firearm in a safe direction.
- **Shooting:** Maintain a stable shooting position and ensure your grip is firm but comfortable.
- **Cleaning:** Regularly clean the chassis and firearm according to the manufacturer's instructions to ensure optimal performance.

## Disposal Instructions

When the MDT Chassis reaches the end of its life cycle, please dispose of it responsibly. Follow local regulations

for the disposal of firearm accessories. If the chassis is damaged beyond repair, consider recycling materials where possible.

## **Contact Information for Further Support**

For any inquiries regarding the MDT Chassis HNT26, please refer to the manufacturer's website or contact your local dealer for assistance. Always ensure that you have the most up-to-date information regarding your product.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on proper handling and usage of your MDT Chassis HNT26. Enjoy your shooting experience responsibly!
