

# Chassis - HNT-26 - Remington 700 - MDT Chassis - HNT-26 - Remington700 - SA - LH - Fixed - Non-ARCA - BCF

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The first purpose-built hunting chassis from MDT. Weighing in starting at 26oz (for chassis, buttstock, forend and grip combined), this is the most ultra-light hunting chassis on the market. The MDT HNT26 is sold as a complete hunting chassis system including magnesium chassis base, carbon fiber forend, carbon fiber grip and foam filled carbon fiber buttstock.

# MDT Chassis HNT26 Remington 700 Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Chassis HNT26 for your Remington 700 rifle. This guide provides essential safety instructions to ensure the safe and effective use of your new hunting chassis. Please read this document carefully before use to understand the safety precautions and operational guidelines.

## General Safety Guidelines

- Always handle the MDT Chassis with care, treating it as you would any firearm component.
- Ensure that the chassis is compatible with your specific rifle model.
- Keep the chassis out of reach of children and unauthorized users.
- Regularly inspect the chassis for signs of wear or damage. Do not use if any parts are compromised.
- Follow all local laws and regulations regarding firearm accessories and modifications.
- Report any unsafe conditions or accidents involving the chassis to local authorities.

## Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before attaching or detaching the chassis.
- Be aware of your surroundings and ensure that the area is safe before using the rifle equipped with the chassis.
- Use appropriate eye and ear protection when shooting.
- Do not modify the chassis in any way that could affect its integrity or safety.
- Always store the chassis and the rifle in a secure location when not in use.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure that the rifle is unloaded.
- Remove the existing stock from your Remington 700.
- Align the MDT Chassis with the rifle action and ensure that it fits securely.
- Attach the chassis using the provided screws and tools, ensuring that all fasteners are tightened to the manufacturer's specifications.
- Install the carbon fiber buttstock, grip, and forend as per the manufacturer's instructions.

### 2. Usage Guidelines:

- Familiarize yourself with the controls and features of the MDT Chassis before use.
- Regularly check that all components are secure before each use.
- Practice safe handling and shooting techniques at all times.
- Clean the chassis according to the manufacturer's guidelines to maintain its performance and longevity.

## Disposal Instructions

- Dispose of the MDT Chassis in accordance with local regulations for plastic and metal recycling.
- If the chassis is damaged beyond repair, contact local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding the MDT Chassis HNT26, including safety concerns or product support, please refer to the manufacturer's official website or customer service.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT Chassis HNT26. Always prioritize safety and responsible usage.
