MDT Chassis HNT26 Remington 700 Safety Instruction Guide

Introduction

Thank you for choosing the MDT Chassis HNT26 for your Remington 700. This safety instruction guide is designed to help you use your product safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the MDT Chassis is compatible with your Remington 700 model before installation.
- Always inspect the chassis for any damage or defects before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Always follow local laws and regulations regarding firearm use and storage.
- Regularly check for updates on product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation may lead to malfunctions or accidents.
- Using the chassis with incompatible parts can compromise safety.
- Failing to maintain the product may lead to performance issues.

- **Avoiding Hazards:**

- Ensure that all components are securely attached before use.
- Do not exceed the recommended weight limit for the chassis.
- Always use the chassis in a controlled and safe environment.
- Avoid exposing the chassis to extreme temperatures or harsh chemicals.

Instructions for Installation and Usage

- **Installation Steps:**

1. Gather all necessary tools and components: MDT HNT26 chassis, buttstock, forend, grip, and any required mounting hardware.
2. Ensure that your Remington 700 is unloaded and in a safe condition before beginning installation.
3. Carefully remove the existing stock from your Remington 700, following the manufacturer's instructions.
4. Align the MDT chassis with the action of the rifle and ensure proper fit.
5. Secure the chassis using the provided mounting hardware, ensuring all screws are tightened to the manufacturer's specifications.
6. Attach the buttstock, forend, and grip to the chassis, ensuring they are securely fastened.

- **Usage Instructions:**

- Always verify that the rifle is unloaded before handling.
- When using the rifle, maintain a proper shooting stance and grip.
- Regularly check the chassis and all components for wear and tear.
- Clean the chassis and components as per the manufacturer's recommendations to ensure

longevity and performance.

Disposal Instructions

- Dispose of the MDT Chassis in accordance with local regulations regarding electronic and composite waste.
- Do not dispose of the product in regular household waste.
- If you are unsure about disposal methods, contact local waste management authorities for guidance.

Contact Information for Further Support

For safety inquiries or further support regarding the MDT Chassis HNT26, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these safety instructions, you can help ensure a safer and more enjoyable experience with your MDT Chassis HNT26. Thank you for your attention to safety.
