MDT Buffer Tube Consumer Safety Instruction Guide

Introduction

Thank you for choosing the MDT Buffer Tube. This product is designed for use with MDT Chassis systems and is compatible with AR15 Rifle Length or Carbine buffer tubes. To ensure safe usage and compliance with EU regulations, please read this guide carefully.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Regularly inspect the buffer tube for any signs of wear or damage.
- Store the buffer tube in a dry and safe location away from children.
- Always follow local laws and regulations regarding firearm accessories.
- In case of any malfunction or unusual behavior, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or usage may lead to firearm malfunction or injury.
- **Avoiding Hazards:**
 - Always ensure that the buffer tube is securely attached before use.
 - Do not exceed the manufacturer's weight limits for accessories attached to the buffer tube.
 - Use only compatible stocks with this buffer tube to prevent accidents.
- **Audience Specific Warnings:**
 - This product is not intended for use by individuals under the age of 18 without adult supervision.
 - Ensure that all users are trained in the safe handling of firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and safe before beginning installation.
- Remove the existing buffer tube if applicable.
- Align the MDT Buffer Tube with the receiver of the firearm.
- Secure the buffer tube by tightening the lock nut until it is firmly in place.
- Doublecheck that the buffer tube is aligned and secure before use.

2. Usage:

- Always wear appropriate safety gear when handling firearms.
- Follow the manufacturer's instructions for any attached stocks or accessories.
- Regularly check the buffer tube for stability and signs of wear during use.

Disposal Instructions

- Dispose of the MDT Buffer Tube in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling options if available.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any safety inquiries or support, please refer to the manufacturer's website or contact your local retailer. Always ensure that you have the latest information regarding product recalls or safety updates.

Thank you for prioritizing safety in your use of the MDT Buffer Tube!
