# TRIEBEL SEATERHEADS TRIEBEL Seaterhead Caliber 7,62/.300 Type: R50 TF Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Seaterhead for your reloading needs. This guide provides essential safety instructions and information to ensure safe and effective use of this product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always follow manufacturer instructions for safe operation.
- Use the product only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the Seaterhead is compatible with your reloading equipment before use.
- Always wear appropriate safety gear, including eye protection, when operating the product.
- Do not modify the Seaterhead in any way, as this can lead to unsafe conditions.
- Be aware of your surroundings and ensure that your workspace is clear of distractions.
- Handle all components with care to avoid injury.
- Follow the recommended load data and specifications to prevent accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is securely mounted on a stable surface.
- Remove any existing Seaterheads or components from the press.
- Align the TRIEBEL Seaterhead with the press and securely fasten it according to the manufacturer's instructions.
- Check that all components are properly tightened before proceeding.

### 2. Usage:

- Prepare your cases and projectiles as per standard reloading practices.
- Set the desired seating depth according to your specifications.
- Insert the case into the press and engage the handle to seat the projectile.
- Monitor the process closely and make adjustments as needed to ensure accuracy.
- After use, clean the Seaterhead to maintain its performance and longevity.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is no longer usable, dispose of it responsibly to minimize environmental impact.
- Check with local waste management authorities for proper disposal methods for reloading components.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIEBEL Seaterhead, please refer to the manufacturer's website or contact your local distributor for assistance.

Thank you for your attention to these safety instructions. Your safety is our priority, and we wish you a successful reloading experience with the TRIEBEL Seaterhead.
