TRIEBEL SEATERHEADS Safety Instruction Guide

Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 10,3/.415 Type: Kaillet. This product is designed as an accessory for Seater with Crimp and BenchRestSeaters from Triebel. To ensure safe and effective use, please read this safety instruction guide carefully before installation and usage.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the product for any signs of damage or wear before each use.
- Store the product in a safe, dry place away from children and unauthorized users.
- Do not modify the product in any way, as this may compromise its safety and effectiveness.
- If you encounter any issues or concerns regarding the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Ensure that you are wearing appropriate personal protective equipment (PPE) such as safety glasses and gloves while using the product.
- Keep the work area wellventilated to avoid inhaling any dust or particles generated during use.
- Be aware of your surroundings and ensure that no one is in close proximity while you are using the product.
- Follow all local regulations and guidelines regarding the use of this type of equipment.

Instructions for Installation and Usage

1. Installation

- Ensure that the equipment you are attaching the Seaterhead to is turned off and unplugged.
- Carefully read the manufacturer's manual for the equipment to confirm compatibility with the TRIEBEL Seaterhead.
- Attach the Seaterhead securely to the equipment, ensuring it is fitted correctly and tightly.
- Doublecheck all connections before proceeding to use the equipment.

2. Usage

- Before starting, ensure that you have read all safety instructions and understand how to operate the equipment.
- Start the equipment as per the manufacturer's instructions.
- Monitor the performance of the Seaterhead during use to ensure it is functioning properly.
- If you notice any unusual sounds or movements, stop the equipment immediately and inspect the Seaterhead for issues.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and accessories.
- Do not dispose of the product in regular household waste.
- If you are unsure of how to dispose of the product, contact your local waste management authority for guidance.

Contact Information for Further Support

For any inquiries or safety concerns regarding the TRIEBEL Seaterhead, please reach out to the designated EU contact point provided by the manufacturer. It is important to have access to support for any issues that may arise during the use of this product.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience with your TRIEBEL Seaterhead. Thank you for your attention to safety.
