# Safety Instruction Guide for CALDWELL Orange Peel Bullseye Target

## Introduction

Thank you for choosing the CALDWELL Orange Peel 5.5" Bullseye Target. This guide provides important safety instructions, usage guidelines, and disposal information to ensure a safe and enjoyable experience with your target. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure the target is used in a safe shooting environment, away from people and animals.
- Always wear appropriate eye protection when shooting.
- Ensure that firearms are handled safely and responsibly, following all local laws and regulations.
- Store the targets in a cool, dry place, away from direct sunlight and moisture.
- Regularly check the targets for any signs of damage before use.

## Specific Safety Precautions for Use

- Do not use the targets for live fire practice in areas where there is a risk of stray bullets causing injury or damage.
- Ensure that the target is securely affixed to a stable surface before shooting.
- If using the adhesive back, ensure the surface is clean and dry for optimal adhesion.
- Use only appropriate ammunition for your firearm and ensure it is in good working condition.
- Be aware of your surroundings and ensure that the shooting area is clear before taking any shots.

## Instructions for Installation and Usage

### 1. Preparation

- Choose a suitable location for target practice that is safe and free from hazards.
- Ensure that all participants are aware of safety protocols.

### 2. Installation

- Remove the target from the packaging.
- Peel off the adhesive backing from the target.
- Firmly press the target onto a clean, dry surface such as a target stand or board.

### 3. Usage

- Aim carefully and take your shot.
- Observe the target after each shot to assess your accuracy.
- Use the included pasters to cover bullet holes and extend the life of the target.

## Disposal Instructions

- Dispose of any damaged targets in accordance with local waste disposal regulations.
- If the target is made of materials that can be recycled, please recycle where possible.
- Do not burn the target as it may release harmful substances.
