What happens when you combine the all-day comfort of the BOG Nucleus 360 and the stability of the DeathGrip clamp? General hunting badassery, that's what. The BOG DeathGrip 360 was designed to overcome the battle that all hunters fight with comfort and noise, while giving you a rock-solid rest, making for a lethal combination. Constructed of ultra-comfortable textilene fabric and adjustable-height legs, this chair is designed for all-day hunting, while the quiet center-pivot technology eliminates noisy couplers and leg sections that put wildlife on high-alert. The DeathGrip clamping head holds your weapon secure, giving you the steady rest you need to make that shot whether it's 20 or 200 yards.

BOG DeathGrip 360 Shooting Rest Chair Safety Instruction Guide

Introduction

Thank you for choosing the BOG DeathGrip 360 Shooting Rest Chair. This product combines all-day comfort with stability, designed to enhance your hunting experience. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the chair in accordance with the manufacturer's instructions.
- Inspect the chair before each use to ensure it is in good condition and free of damage.
- Do not exceed the weight limit specified by the manufacturer.
- Ensure that the chair is set up on stable and level ground to prevent tipping.
- Keep the chair away from fire, heat sources, and sharp objects.
- Store the chair in a dry place when not in use to prevent damage.
- Report any unsafe conditions or accidents to local authorities.

Specific Safety Precautions for Use

- Ensure that the DeathGrip clamping head is securely holding your weapon before taking a shot.
- Avoid placing your fingers or any body parts in the clamping mechanism while adjusting.
- Always be aware of your surroundings and ensure that no one is in your line of fire.
- Use the chair only for its intended purpose; do not modify or alter the chair in any way.
- Keep the chair clean and free of debris to maintain functionality.
- If you notice any unusual noises or instability while using the chair, cease use immediately and inspect for issues.

Instructions for Installation and Usage

1. Setup:

- Unfold the chair and ensure that all legs are fully extended and locked in place.
- Adjust the height of the legs as needed to ensure a comfortable seating position.
- Ensure the chair is stable on the ground before sitting down.

2. Using the DeathGrip Clamp:

- Place your weapon in the DeathGrip clamping head.
- Adjust the clamp to securely hold your weapon in place.
- Ensure that the weapon is stable and secure before taking aim.

3. Sitting in the Chair:

- Sit down gently and ensure that your weight is evenly distributed.
- Maintain a balanced position to avoid tipping the chair.

4. Packing Up:

- After use, carefully remove your weapon from the clamp.
- Fold the chair according to the manufacturer's instructions.
- Store the chair in a dry, safe location.

Disposal Instructions

- When the chair has reached the end of its life cycle, dispose of it in accordance with local regulations.
- Do not dispose of the chair in regular household waste if it contains any hazardous materials.
- Consider recycling components where possible.
