

# Bipod - GRND Pod - Picatinny - Green

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

The MDT GRND-Pod (pronounced "Ground-Pod") was developed for the shooter wanting a stable and secure platform to shoot off of without breaking the bank.

The MDT GRND-Pod is designed to adapt to the picatinny and RRS Dovetail/ARCA mounting interfaces and offers shooters a one hand adjustable height range from 4.5" - 9", with 4-locking positions in the 0°, 50°, 90° and 180° positions.

The MDT GRND-Pod legs are also Atlas/Ckye-Pod foot compatible and can be fully extended just by pulling down on the legs in any position!

# BIPOD GRND POD Safety Instruction Guide

## Introduction

Thank you for choosing the MDT GRNDPod. This bipod is designed to provide a stable and secure shooting platform. To ensure your safety and the proper functioning of the product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always ensure that the bipod is securely attached to your firearm before use.
- Inspect the bipod regularly for any signs of wear, damage, or malfunction.
- Keep the bipod out of reach of children and unauthorized users.
- Use the bipod only for its intended purpose; do not modify it in any way.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the bipod is adjusted to the appropriate height for your shooting position.
- Do not exceed the recommended weight limits for the bipod.
- When using the bipod in varying terrain, ensure that the legs are fully extended and locked in place.
- Be cautious of the cant range when adjusting the bipod to maintain stability.
- Always ensure that the bipod is on a stable surface before taking a shot.
- Use proper shooting techniques to avoid accidents.

## Instructions for Installation and Usage

### Installation

#### 1. Mounting the Bipod:

- Align the bipod with the Picatinny or RRS Dovetail/ARCA mounting interfaces on your firearm.
- Securely attach the bipod according to the manufacturer's instructions.

#### 2. Adjusting Height:

- Pull down on the legs to extend them to the desired height.
- Adjust the height to ensure stability, selecting from the 0°, 50°, 90°, and 180° locking positions.

### Usage

#### 1. Stability Check:

- Before shooting, ensure that the bipod is stable and that all legs are locked in place.

#### 2. Shooting Position:

- Position the bipod on a flat and stable surface.
- Adjust the cant as necessary to ensure your firearm is level.

#### 3. PostShooting:

- After use, retract the legs by pulling them up and ensuring they are locked in the closed position.

## **Disposal Instructions**

- Dispose of the bipod in accordance with local regulations for electronic waste and materials.
- Separate recyclable materials (such as aluminum and polymer) from general waste.
- Do not burn the bipod or any of its components.

## **Contact Information for Further Support**

For any questions regarding the use or safety of the MDT GRNDPod, please refer to the manufacturer's contact information provided with your product.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the MDT GRNDPod!
