

# Polymer AICS Magazine 308/6.5 Creedmoor 3 Rounds

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

MDT Detachable AICS box magazines are designed to fit the MDT TAC21, ACC, ESS, LSS-XL, XRS and LSS Chassis systems, as well as many other M24 type chassis and bottom metals. Manufactured from high quality Polymer and uses a tempered steel spring.

We put our magazines through vigorous testing.

We have used high quality strength polymer with a high glass content to ensure durability and strength.

Although not unbreakable, we have driven over these magazines with cars and trucks which did not break them

The magazine sits flush in the housing of the HNT 26 chassis

## **Capacity**

- .308/6.5 Creedmoor family of cartridges: 3 Round capacity
- MAX OAL: 2.85"

NO IMAGE  
AVAILABLE

## **Compatibility**

MDT AICS magazines are guaranteed to work in our XRS, TAC21, LSS, LSS-XL, HS3, ESS and ACC chassis systems.

They do not work with the following inlets: Browning X-bolt, Winchester XPC and may require fitting in Winchester Model 70.

Based on customer feedback, the following systems work well with our magazines, but fitting may be required in some cases:

- XLR Chassis
- KRG X-Ray - Some need adjustment
- GRS riflestocks- (Configured for AICS magazines)
- CDI Precision bottom metals- (Configured for AICS magazines)
- Pacific tool and Gauge bottom metals- (Configured for AICS magazines)

## **Compatible Calibers**

- .308WIN
- 6.5 Creedmoor
- 6mm Creedmoor
- 22 - 250 Rem (will work at a reduced capacity)
- 243 Win
- 6mm XC
- 6x47 Lapua
- 260 Rem
- 6.5x47 Lapua
- 7mm-08 Win
- 308/7.62x51 NATO

**Not recommended for .300 WSM. Use a metal magazine for this caliber as the feed lips need adjustment.**

# MDT Polymer AICS Magazine 308/6.5 Creedmoor Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Polymer AICS Magazine 308/6.5 Creedmoor. This guide provides essential safety instructions and usage guidelines to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the magazine as it is a nonfood product. Always follow the instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about any recall notices. If a recall is issued, follow the instructions provided for returning or replacing the product.
- **Online Shopping:** If purchased online, ensure that the retailer meets safety requirements to protect your rights as a consumer.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the appropriate EUbased contact as specified by the retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety and potential risks.

## Specific Safety Precautions for Use

- **Intended Use:** This magazine is designed for use with compatible firearms and ammunition. Ensure compatibility before use.
- **Inspection:** Before each use, inspect the magazine for any signs of damage or wear. Do not use if damaged.
- **Loading:** Load the magazine according to the manufacturer's instructions, ensuring that the rounds are seated properly.
- **Handling:** Always handle the magazine with care. Avoid dropping or subjecting it to impact, which may cause damage.
- **Storage:** Store the magazine in a cool, dry place away from direct sunlight and extreme temperatures.
- **Cleaning:** Clean the magazine regularly to maintain functionality. Use a soft cloth and avoid harsh chemicals that may damage the polymer.
- **Avoid Overloading:** Do not exceed the maximum capacity of 3 rounds as specified. Overloading may cause malfunction or damage.

## Instructions for Installation and Usage

1. **Compatibility Check:** Ensure that the magazine is compatible with your firearm model before installation.
2. **Loading the Magazine:**
  - Hold the magazine with the feed lips facing upward.
  - Insert the rounds one at a time, ensuring they are aligned properly.
  - Push down until the rounds are securely seated.
3. **Inserting the Magazine:**
  - Align the magazine with the magazine well of your firearm.
  - Firmly push the magazine into the well until it clicks into place.
4. **Removing the Magazine:**
  - Press the magazine release button on your firearm.

- Pull the magazine downward to remove it from the magazine well.
- 5. **Firing:** Follow all safety protocols for handling and firing your firearm. Always treat it as if it is loaded.
- 6. **PostUse Inspection:** After use, inspect the magazine for any signs of wear or damage.

## Disposal Instructions

- **Recycling:** The polymer magazine can be recycled in accordance with local regulations. Check with your local waste management facility for proper disposal methods.
- **NonRecyclable Parts:** If any parts are not recyclable, dispose of them in accordance with local waste disposal guidelines.

## Contact Information for Further Support

For any questions or concerns regarding the MDT Polymer AICS Magazine 308/6.5 Creedmoor, please refer to the retailer or manufacturer's contact information provided at the time of purchase.

By following these safety instructions, you can ensure the safe and effective use of your MDT Polymer AICS Magazine. Thank you for your attention to these guidelines.
