

Polymer AICS Magazine 308/6.5 Creedmoor 5 Rounds

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

MDT Detachable AICS box magazines are designed to fit the MDT TAC21, ACC, ESS, LSS-XL, XRS and LSS Chassis systems, as well as many other M24 type chassis and bottom metals. Manufactured from high quality Polymer and uses a tempered steel spring.

We put our magazines through vigorous testing.

We have used high quality strength polymer with a high glass content to ensure durability and strength.

Although not unbreakable, we have driven over these magazines with cars and trucks which did not break them

Capacity

- .308/6.5 Creedmoor family of cartridges: 3 Round capacity
- MAX COAL: 2.85"
- 3.25" Tall

Compatibility

MDT AICS magazines are guaranteed to work in our HNT26, XRS, TAC21, LSS, LSS-XL, HS3, ESS and ACC chassis systems.

They do not work with the following inlets: Browning X-bolt, Winchester XPC and may require fitting in Winchester Model 70.

Based on customer feedback, the following systems work well with our magazines, but fitting may be required in some cases:

- XLR Chassis
- KRG X-Ray - Some need adjustment
- GRS riflestocks- (Configured for AICS magazines)
- CDI Precision bottom metals- (Configured for AICS magazines)
- Pacific tool and Gauge bottom metals- (Configured for AICS magazines)

Compatible Calibers

- .308WIN
- 6.5 Creedmoor
- 6mm Creedmoor
- 22 - 250 Rem (will work at a reduced capacity)
- 243 Win
- 6mm XC
- 6x47 Lapua
- 260 Rem
- 6.5x47 Lapua
- 7mm-08 Win
- 308/7.62x51 NATO

Not recommended for .300 WSM. Use a metal magazine for this caliber as the feed lips need adjustment.

MDT Polymer AICS Magazine 308/6.5 Creedmoor Safety Instructions

Introduction

Thank you for choosing the MDT Polymer AICS Magazine 308/6.5 Creedmoor. This product is designed for use in various chassis systems and is built to provide reliable performance. It is essential to follow the safety instructions outlined in this guide to ensure safe usage and proper maintenance of the magazine.

General Safety Guidelines

- Always handle the magazine with care, treating it as if it is loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Inspect the magazine regularly for signs of wear or damage. Do not use if damaged.
- Store the magazine in a cool, dry place away from direct sunlight.
- Do not exceed the specified capacity of the magazine to prevent malfunction.
- Always follow the manufacturer's instructions for use and maintenance.
- Be aware of your surroundings when using the magazine to avoid accidents.

Specific Safety Precautions for Use

- Ensure that your firearm is compatible with the MDT Polymer AICS Magazine before use.
- Always confirm that your firearm is unloaded before inserting or removing the magazine.
- Use only compatible calibers as specified in the product description to avoid malfunctions.
- Do not attempt to modify the magazine in any way, as this may compromise safety and performance.
- If you experience feeding issues, check for obstructions and ensure the magazine is properly seated.
- Be cautious when transporting the magazine; secure it to prevent accidental discharge.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Align the magazine with the magazine well of your chassis system.
- Gently push the magazine into the well until it clicks into place, indicating it is securely seated.

2. Usage:

- Load the magazine with the appropriate ammunition, ensuring not to exceed the 5round capacity.
- Insert the loaded magazine into the firearm as described in the installation section.
- To remove the magazine, press the magazine release button and pull the magazine out of the well.

3. Maintenance:

- Regularly clean the magazine to remove dirt and debris.
- Use a soft cloth and a mild cleaning solution if necessary.
- Inspect the magazine's feed lips and spring for any signs of wear or damage.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged beyond repair, consider recycling it if possible.
- Do not throw the magazine in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MDT Polymer AICS Magazine, please refer to the manufacturer's website or contact their customer support. Ensure you have the product details ready for efficient assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT Polymer AICS Magazine 308/6.5 Creedmoor. Always prioritize safety and compliance with local laws and regulations.
