

# 1-4x32mm Illuminated 5.56 CX5395 Ballistic Black

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The ELCAN SpecterDR Dual Role Optical Sight represents a revolution in optical sight design. The world's first truly dual field of view combat optical sight, the SpecterDR switches instantly from a 4x magnified sight to a 1x CQB sight with the throw of a lever. Unlike zoom sights, the SpecterDR offers an optimized optical path and identical eye relief in both 4x and 1x modes. Depending upon the situation, the user may adjust the sight to illuminate the crosshair or just a brilliant red dot in the center. In 1x mode, the SpecterDR has by far the largest field of view in the industry. In 4x mode the SpecterDR offers a generous field of view, long eye relief, and ELCAN'S legendary crystal clear image. The SpecterDR offers the best single solution for both CQB and Long Range engagements and is designed to withstand the rigors of modern professional use. Calibrated for the M855 5.56 NATO ammo.

## Ballistic Safety Instruction Guide

### Introduction

Thank you for choosing the ELCAN 14x32mm Illuminated 5.56 CX5395 Ballistic Optical Sight. This guide provides essential safety instructions to ensure the proper use and maintenance of your product. Please read this manual carefully before using the sight to maximize safety and performance.

### General Safety Guidelines

- **Product Safety:**
  - Ensure the sight is used only for its intended purpose.
  - Follow all safety instructions during use to minimize risks.
- **Enhanced Recalls:**
  - Stay informed about product recalls. Regularly check for updates regarding your sight.
- **Online Shopping:**
  - When purchasing online, ensure you buy from authorized and reputable sellers.
- **Special Consumer Focus:**
  - Keep the sight out of reach of children and vulnerable individuals.
- **EU Contact Point:**
  - For safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:**
  - Monitor the EU's Safety Gate platform for updates on potentially unsafe products.

### Specific Safety Precautions for Use

- Always ensure that the sight is securely mounted on your firearm before use.
- Do not attempt to disassemble or modify the sight.
- Avoid exposing the sight to extreme temperatures or moisture.
- Regularly inspect the sight for any signs of damage or wear.
- Ensure the sight is used in a safe environment, free from distractions.
- Always point the firearm in a safe direction when using the sight.
- Use appropriate eye protection when engaging in shooting activities.
- Do not use the sight while under the influence of drugs or alcohol.

### Instructions for Installation and Usage

- **Installation:**
  1. Ensure your firearm is unloaded before installation.
  2. Select a suitable mounting location on your firearm.

3. Securely attach the ELCAN sight using the provided mounting hardware.
4. Check for stability and alignment before use.

- **Usage:**

1. Switch between 1x and 4x magnification by using the lever.
2. Adjust the illumination settings based on your environment.
3. Align the crosshair or red dot with your target.
4. Ensure proper eye relief for optimal viewing.

## **Disposal Instructions**

- Dispose of the sight in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- Consider recycling options for electronic components.

## **Contact Information for Further Support**

For any questions or concerns regarding the ELCAN 14x32mm Illuminated 5.56 CX5395 Ballistic Optical Sight, please refer to the contact information provided by your retailer or the manufacturer. It is important to seek assistance if you encounter any issues or have safety concerns.

Thank you for prioritizing safety. Enjoy your ELCAN optical sight responsibly!
