

1-4x32mm Illuminated 7.62 CX5396 Ballistic FDE

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

When it comes to battle optics for combat-ready rifles, the Elcan SpecterDR Dual Role Combat Sight is the first of its kind. This revolutionary optic design features a dual-view setup that allows users to quickly switch between 1x and 4x magnification with the flip of a lever. The Elcan SpecterDR Dual Role Combat Sight eliminates previous issues with eye relief found in many quick-adjust optics on the market, thanks to the optimization of the light path inside the optic. The benefits of this improvement include an expanded field of view, increased eye relief and a crisp, clear sight picture. Built with 7.62 CR5396 Reticle Features illuminated reticle powered by 1/3N lithium battery Weight: 22.3 ounces Length: 6 inches The Elcan SpecterDR Dual Role Combat Sight is available in matte black finish and is built for all battle environments.

ELCAN 14x32mm Illuminated 7.62 CX5396

Ballistic Safety Instruction Guide

Introduction

Thank you for choosing the ELCAN 14x32mm Illuminated 7.62 CX5396 Ballistic Sight. This guide provides essential safety information and instructions to ensure your safe and effective use of this product. Please read this manual thoroughly before using the sight.

General Safety Guidelines

To ensure your safety and the safety of others, please adhere to the following general guidelines:

- Always handle the sight with care to prevent damage or injury.
- Use the sight only for its intended purpose as described in this manual.
- Keep the sight out of reach of children and vulnerable individuals.
- Regularly inspect the sight for any signs of damage or malfunction.
- If you notice any irregularities, discontinue use immediately and seek professional assistance.
- Ensure that all components are securely attached before use.
- Store the sight in a cool, dry place when not in use.

Specific Safety Precautions for Use

When using the ELCAN 14x32mm Illuminated Sight, please observe the following precautions:

- Ensure that the sight is properly mounted on the rifle according to the installation instructions.
- Do not attempt to modify or disassemble the sight; this may void the warranty and pose safety risks.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always use appropriate eye protection when using the sight.
- Do not point the sight at anything you do not intend to shoot.
- Keep your finger off the trigger until you are ready to fire.
- Use the sight only with compatible firearms and ammunition.

Instructions for Installation and Usage

Follow these steps for the proper installation and use of the ELCAN 14x32mm Illuminated Sight:

Installation

1. Mounting the Sight:

- Ensure the rifle is unloaded before mounting the sight.
- Align the sight with the mounting rail on your rifle.
- Secure the sight using the provided mounting hardware, ensuring it is tightened to prevent movement during use.

2. Adjusting the Reticle:

- Once mounted, adjust the reticle to your desired position using the elevation and windage adjustments.
- Refer to the specific adjustment instructions included with the sight.

3. Powering On:

- Insert a 1/3N lithium battery into the sight as per the battery installation instructions.
- Turn on the illuminated reticle using the power switch.

Usage

1. Selecting Magnification:

- Use the lever to switch between 1x and 4x magnification as needed for your shooting environment.

2. Eye Relief and Field of View:

- Maintain an appropriate distance from the sight to ensure optimal eye relief (2.80 inches).
- Adjust your position to gain the best field of view through the sight.

3. Illumination Settings:

- Adjust the brightness of the illuminated reticle based on lighting conditions.

Disposal Instructions

When disposing of the ELCAN 14x32mm Illuminated Sight, please follow these guidelines:

- Do not dispose of the sight in regular household waste.
- Check local regulations for proper disposal methods for electronic devices and batteries.
- Consider recycling the sight and its components at a designated electronic waste facility.

Contact Information for Further Support

For safety inquiries or additional support regarding the ELCAN 14x32mm Illuminated Sight, please refer to the manufacturer's contact information provided with your product.

By following these safety instructions, you can ensure the safe and effective use of your ELCAN 14x32mm Illuminated Sight. Thank you for your attention to these important guidelines.
