# ELCAN 1.56x42mm Illuminated 5.56 CX5455 Ballistic Sight Safety Instruction Guide

## Introduction

Thank you for choosing the ELCAN 1.56x42mm Illuminated 5.56 CX5455 Ballistic Sight. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this manual carefully before use to familiarize yourself with the safety guidelines and operational procedures.

## General Safety Guidelines

- Always treat your firearm and optic as if they are loaded and ready to fire.
- Ensure that you are in a safe environment and have a proper backdrop when using the sight.
- Maintain awareness of your surroundings and ensure that no unauthorized individuals are nearby when handling the sight.
- Always follow the manufacturer's instructions for your firearm and the ELCAN sight.
- Inspect the sight regularly for any signs of damage or wear.
- Keep the sight and your firearm clean and free from obstructions.
- Store the sight in a secure location, out of reach of children and unauthorized users.

## Specific Safety Precautions for Use

- Do not use the sight if it has been damaged or if any components appear to be missing.
- Ensure that the battery is installed correctly and is in good condition before use.
- Do not attempt to disassemble or modify the sight as this may compromise its safety and functionality.
- Avoid exposing the sight to extreme temperatures or harsh environments that may affect its performance.
- Use only the recommended battery type (1/3N Lithium) for illumination.
- Be mindful of the eye relief distance (2.78 inches) to prevent eye injury when firing.
- Always use the sight in accordance with the intended purpose as outlined in this manual.

## Instructions for Installation and Usage

### Installation

1. Ensure that your firearm is unloaded and pointed in a safe direction.
2. Mount the ELCAN sight securely on the firearm's rail system according to the manufacturer's instructions.
3. Tighten the mounting screws to ensure a stable fit, but do not overtighten.
4. Adjust the sight to your preferred position for optimal eye relief and comfort.

### Usage

1. Before using the sight, verify that it is properly zeroed according to your shooting preferences.
2. To adjust the magnification, simply turn the magnification lever to your desired setting (1.5x to 6x).
3. Activate the illuminated reticle by pressing the control switch, ensuring that the battery is functioning.
4. Always check the clarity of the sight before aiming and firing.
5. After use, turn off the illumination to conserve battery life.

## Disposal Instructions

- Dispose of the sight in accordance with local regulations for electronic waste.
- Remove the battery and dispose of it separately in a designated battery recycling location.
- Do not dispose of the sight in household waste.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the manufacturer's contact information provided with your product.

## **Conclusion**

Your safety and the safety of others is of utmost importance when using the ELCAN 1.56x42mm Illuminated 5.56 CX5455 Ballistic Sight. By following these guidelines and instructions, you can ensure a safe and enjoyable experience. Always prioritize safety and compliance with regulations to protect yourself and those around you.
