# ELCAN 1.56x42mm Illuminated 5.56 CX5455 Ballistic Scope Safety Instructions

## Introduction

Thank you for choosing the ELCAN 1.56x42mm Illuminated 5.56 CX5455 Ballistic Scope. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this manual thoroughly before using the scope and keep it for future reference.

## General Safety Guidelines

- Ensure that the scope is used only for its intended purpose as a firearm accessory.
- Always handle firearms with care and follow all safety guidelines provided by the firearm manufacturer.
- Use the scope in accordance with local laws and regulations regarding firearms and optics.
- Keep the scope out of reach of children and unauthorized users.
- Inspect the scope for damage or wear before each use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not look directly into the scope while it is mounted on a loaded firearm.
- Ensure the firearm is unloaded before attaching or detaching the scope.
- Avoid exposing the scope to extreme temperatures or moisture.
- Do not attempt to disassemble the scope; it is designed for use as is.
- Use appropriate eye protection when using the firearm equipped with the scope.
- Be aware of your surroundings and ensure a clear line of sight before firing.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the firearm is unloaded before beginning installation.
- Select a suitable mounting location on the rifle.
- Align the scope with the mounting rings and secure it using the provided screws.
- Adjust the scope to ensure it is level and aligned with the rifle's barrel.

### 2. Usage

- Adjust the magnification by using the lever located on the scope.
- Turn on the illuminated reticle using the designated control, ensuring the battery is properly installed.
- Use the etched reticle for aiming in various lighting conditions.
- Regularly check the scope's alignment and reticle settings before use.

## Disposal Instructions

- Dispose of the scope and its components in accordance with local regulations.
- Ensure that the lithium battery is disposed of properly, as it may be classified as hazardous waste.
- Do not dispose of the scope in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the ELCAN 1.56x42mm Illuminated 5.56 CX5455 Ballistic Scope, please contact the appropriate EUbased support channels.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the ELCAN scope while prioritizing safety at all times.
