

COMP MUZZLE BRAKE - 4 PORT - GRN - MDT - Comp Muzzle Brake - 4 Port - 6.5mm - 3/4-24 - GRN

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

The MDT [COMP BRAKE] was designed from the ground up by our sponsored shooter teams requirements, high tech mach flow gas simulations and countless hours of testing. This muzzle brake is the most effective brake currently available that also provides the least concussion to the shooter and spotter, by redirecting gas flow, allowing you to watch bullet flight and monitor hits and misses on target.

Features

- 4 ports, strategically cut at varying angles to maximize recoil reduction as well as minimizing shooter concussion
- Forward facing "disruptor" ports to better deflect gas away from the shooter
- Tuneable upwards vented ports that can be open or closed with a slider mechanism for straighter rifle tracking
- Serrated baffle tips to for improved gas flow and lower sound generation
- Caliber specific bores for calibers ranging from .224-.338 cal
- Multiple thread sizes available for each caliber configuration
- Optimized for commonly available PRS calibers such as the 6BR, 6mm Creedmoor and 6x47 Lapua (as well as their variants)
- Recessed target crown to reduce exit muzzle disturbance and protect secondary crown from damage
- Purpose designed, self timing lock nut that reduces run-out, increases holding strength and is designed for use with MTU contour muzzles

MDT Comp Muzzle Brake Safety Instruction Guide

Introduction

Thank you for choosing the MDT Comp Muzzle Brake 4 Port 6.5mm. This product is designed to enhance your shooting experience by reducing recoil and minimizing shooter concussion. It is essential to follow the safety guidelines outlined in this document to ensure safe and effective use of the muzzle brake.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or removing the muzzle brake.
- Use the muzzle brake only with firearms that are compatible with the specified caliber (6.5mm).
- Keep the muzzle brake clean and free from obstructions to ensure optimal performance.
- Store the muzzle brake in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the muzzle brake for wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms equipped with the muzzle brake.
- Ensure that the muzzle brake is securely attached to the firearm before use.
- Be aware of your surroundings and ensure that the shooting area is clear of bystanders.
- Avoid using the muzzle brake in enclosed spaces where gas buildup may occur.
- Do not modify the muzzle brake in any way, as this may compromise its performance and safety.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Using the appropriate tools, remove the existing muzzle device (if applicable).
- Align the muzzle brake with the firearm's muzzle.
- Securely fasten the muzzle brake using the specified thread size (3/424).
- Verify that the muzzle brake is properly aligned and tightened.

2. Usage:

- After installation, perform a function check to ensure the firearm operates correctly with the muzzle brake attached.
- When shooting, maintain a proper shooting stance and grip.
- Monitor the performance of the muzzle brake during use. If any issues arise, cease use immediately and inspect the device.

3. Maintenance:

- Clean the muzzle brake regularly to remove any debris or residue.
- Inspect for signs of wear or damage after each use.
- If damage is detected, discontinue use and replace the muzzle brake.

Disposal Instructions

- Dispose of the muzzle brake in accordance with local regulations.
- Do not dispose of with regular household waste. Check for local recycling options or hazardous waste disposal facilities.

- Ensure that the muzzle brake is rendered unusable before disposal to prevent accidental misuse.

Contact Information for Further Support

For any questions or concerns regarding the MDT Comp Muzzle Brake, please contact your local distributor or refer to the manufacturer's website for additional support and resources.

Thank you for prioritizing safety and compliance while using the MDT Comp Muzzle Brake. Your responsible usage contributes to a safer shooting environment for everyone.
