Safety Instruction Guide for Flyer MIL/LE and Flyer GER

Introduction

Welcome to the safety instruction guide for the Flyer MIL/LE and Flyer GER products. This guide is designed to provide you with essential safety information and guidelines to ensure the safe use of our products. We are committed to your safety and the quality of our offerings.

General Safety Guidelines

- Always read and understand the product manual before use.
- Ensure that the product is suitable for your intended use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- If you notice any defects or issues, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Firearms and Ammunition:**

- Always handle firearms with care and treat them as if they are loaded.
- Use appropriate ammunition that is compatible with your firearm.
- Wear suitable eye and ear protection when using firearms.
- Ensure that the firearm is pointed in a safe direction at all times.

- **Optics:**

- Ensure that optics are securely mounted and adjusted before use.
- Avoid looking directly at the sun through optics, as this can cause serious eye damage.

- **Accessories:**

- Follow manufacturer instructions for the installation and use of accessories.
- Ensure that all accessories are compatible with your primary equipment.

Instructions for Installation and Usage

- **Installation:**

- Follow the stepbystep instructions provided in the product manual for installation.
- Use only the tools recommended by the manufacturer for installation.
- Ensure that all parts are securely fastened and functioning correctly before use.

- **Usage:**

- Familiarize yourself with the product and its features before use.
- Always perform a safety check before using the product.
- Use the product only in environments for which it was designed.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product contains batteries or electronic components, follow specific disposal guidelines for hazardous waste.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the contact information provided on the product packaging or visit our website for more resources.

Thank you for choosing our products. Your safety is our priority, and we appreciate your commitment to using our items responsibly.
