Safety Instruction Guide for Flyer MIL/LE

Introduction

Welcome to Brownells Europe! We are dedicated to providing you with highquality military and law enforcement products. Your safety is our top priority. This guide outlines important safety instructions to ensure the safe use of our products in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the product instructions before use.
- Keep products out of reach of children and vulnerable individuals.
- Regularly inspect products for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Firearms and Ammunition:
 - Always handle firearms with care and treat them as if they are loaded.
 - Use appropriate ammunition for your specific firearm model.
 - Wear eye and ear protection when shooting.
- Optics:
 - Ensure that optics are securely mounted before use.
 - Do not look directly at the sun through any optical device, as this can cause serious eye damage.
- Accessories:
 - Follow the manufacturer's instructions for all accessories to ensure proper use.
 - Regularly check that all attachments are secure and functioning correctly.

Instructions for Installation and Usage

- Firearms:
 1. Ensure the firearm is unloaded before installation.
 2. Follow the specific instructions provided with the firearm for any attachments or modifications.
 3. Test the firearm in a safe environment after installation to ensure proper functionality.
- Optics:
 1. Mount the optic securely on the firearm according to the provided instructions.
 2. Adjust the optic settings as per your shooting requirements.
 3. Verify the zeroing of the optic before use.
- Accessories:
 1. Install accessories according to the specific instructions included with the product.
 2. Ensure that all accessories are compatible with your firearm model.
 3. Conduct a functionality test after installation.

Disposal Instructions

- Dispose of any used ammunition and firearm parts in accordance with local regulations.
- Do not throw used products in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods for hazardous materials.
