AVAILABLE

Details:

MambaMag bottom metals are machined out of 6061-T6 aluminum, with a steel mag latch.

The bottom metal is designed to have a mag latch at the rear, but also have a front catch to give the most stability for the mag and the most reliable feeding.

Mounting and compatible accessories:

The MambaMag bottom metals come with all the hardware required to mount them onto your stock.

They are also designed to require no modifications to the stock and allow you to very easily replace your factory bottom metal with a MambaMag bottom metal.

The MambaMag bottom metals are compatible with MambaMags corresponding to their rifle type.

Specs:

- 6061-T6 aluminum bottom metal
- Hard black anodized finish
- Steel latch

Compatibility:

There are MambaMag bottom metals currently available for:

- Remington 700 Short Action
- Howa 1500 Short Action

MAMBAMAG BOTTOM METAL SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the MambaMag Bottom Metal for your Remington 700 Short Action. This guide provides essential safety instructions and information to ensure safe and effective use of the product. Please read through this guide carefully before installation and usage.

General Safety Guidelines

To ensure your safety and the proper functioning of the MambaMag Bottom Metal, please follow these general safety guidelines:

- Always handle firearms and firearm accessories with care and respect.
- Ensure that the firearm is unloaded before installing or modifying any components.
- Familiarize yourself with the product and its components before use.
- Inspect the bottom metal and its components for any signs of damage before installation.
- Use only compatible MambaMag magazines with the MambaMag Bottom Metal.
- Store the product in a safe place, out of reach of children and unauthorized users.
- Always follow local laws and regulations regarding firearm modifications and accessories.

Specific Safety Precautions for Use

When using the MambaMag Bottom Metal, please adhere to the following safety precautions:

- Ensure that the magazine is securely attached before loading ammunition.
- Do not attempt to force the magazine into the bottom metal; it should fit easily.
- Regularly check for any wear or damage to the bottom metal and magazine.
- If you experience any feeding issues, cease use and inspect the components for obstructions or damage.
- Always keep the firearm pointed in a safe direction when loading or unloading.

Instructions for Installation and Usage

Follow these steps for the proper installation and usage of the MambaMag Bottom Metal:

1. Preparation:

- Ensure your firearm is unloaded and in a safe workspace.
- Gather all necessary tools and the included hardware.

2. Removal of Factory Bottom Metal:

- Carefully remove the factory bottom metal from your Remington 700 Short Action stock.
- Keep the screws and components in a safe place for potential future use.

3. Installation of MambaMag Bottom Metal:

- Align the MambaMag Bottom Metal with the stock.
- Use the provided screws and hardware to secure the bottom metal in place.
- Ensure that the mag latch is positioned correctly at the rear and that the front catch is engaged.

4. Testing Compatibility:

- Insert a compatible MambaMag magazine into the bottom metal.
- Ensure that the magazine fits securely and locks into place.

5. Final Checks:

- Inspect the installation to ensure everything is secure and correctly aligned.
- Perform a function check by loading and unloading the magazine to ensure smooth operation.

Disposal Instructions

When disposing of the MambaMag Bottom Metal, please follow these guidelines:

- Dispose of the product in accordance with local regulations regarding metal and plastic waste.
- If the product is damaged or no longer usable, consider recycling materials where possible.
- Ensure that any components are disposed of safely to prevent accidental use.

Contact Information for Further Support

For any inquiries regarding the MambaMag Bottom Metal, please consult the manufacturer's website or contact your retailer for assistance. It is important to have a reliable point of contact for any safety concerns or product information.

Thank you for following these safety guidelines. Your safety and satisfaction are our priority. Enjoy your MambaMag Bottom Metal!
