

# Aluminum Powder Funnel Kit

[Reloading](#) > [Powder Handling](#)

The Frankford Arsenal Aluminum Powder Funnel Kit helps you easily fill cases from .17 caliber and up with precision. Each nozzle features an o-ring to fit securely in the funnel, eliminating any chance of spilled powder. Finished in sleek black chrome, the aluminum funnel and nozzles prevent static buildup and allow powder to flow smoothly into each case. The included hinge-top storage case organizes the funnel and laser engraved nozzles so they're easy to identify.

## Safety Instructions

### Introduction

Thank you for choosing the Frankford Arsenal Aluminum Powder Funnel Kit. This product is designed to help you fill cases from .17 caliber and up with precision. To ensure your safety and the safe operation of this product, please read and follow these safety instructions carefully.

### General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use to ensure it is in good condition.
- Do not use the product if it is damaged or malfunctioning.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Ensure that the funnel and nozzles are securely attached before use to prevent spills.
- Avoid overfilling the funnel to minimize the risk of powder spillage.
- Use the product in a wellventilated area to prevent inhalation of powder particles.
- Store the funnel and nozzles in the provided hingetop storage case when not in use.
- Do not use the funnel for any purpose other than intended powder handling.

### Instructions for Installation and Usage

1. **Unpack the Kit:** Carefully remove the funnel and nozzles from the packaging.
2. **Inspect the Components:** Check for any visible damage or defects. Do not use if damaged.
3. **Attach the Nozzle:**
  - Select the appropriate nozzle for your case size.
  - Insert the nozzle into the funnel until it fits securely, ensuring the oring is properly seated.
4. **Filling the Cases:**
  - Place the funnel securely over the case.
  - Gradually pour the powder into the funnel, avoiding overfilling.
  - Allow the powder to flow smoothly into the case.
5. **Storage:**
  - After use, clean any residual powder from the funnel and nozzles.
  - Store in the provided hingetop storage case for easy organization and identification.

### Disposal Instructions

- Dispose of any unused powder in accordance with local regulations.
- Recycle the aluminum funnel and nozzles where facilities exist.
- Do not dispose of the product in general waste if it is hazardous.

### Contact Information for Further Support

For any inquiries regarding safety or product support, please consult the manufacturer's website or customer service. Ensure you have the product details ready for efficient assistance.

By following these safety instructions, you can enjoy the benefits of the Frankford Arsenal Aluminum Powder

Funnel Kit while ensuring a safe and effective experience. Thank you for your attention to safety!
