

# Case bin stopper for dillon case bin

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

**With the Dillon Case bin stopper in place, you can use 100% of the cartridge collection bin's capacity!**

The case bin stopper fits into the front of the Cartridge Collection Bin used on Dillon, RCBS and LEE presses, and keeps rounds from rolling out and onto the floor when the bin gets near full.

Dillon Case bin stopper still allows to stacked the bins.

Made from durable 1,5mm thick aluminum and with white space for your marking.

# ARMANOV Case Bin Stopper for Dillon Case Bin Safety Instruction Guide

## Introduction

Thank you for choosing the ARMANOV Case Bin Stopper for Dillon Case Bin. This product is designed to enhance the efficiency of your cartridge collection process while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always inspect the product for any visible damage or wear before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Be aware of your surroundings while using the product to prevent accidents.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the ARMANOV Case Bin Stopper with compatible cartridge collection bins, such as those from Dillon, RCBS, and LEE.
- Do not overload the cartridge collection bin beyond its capacity.
- Ensure that the stopper is securely in place before using the collection bin to prevent cartridges from spilling.
- Avoid placing the bin stopper in extreme temperatures or exposing it to harsh chemicals, as this may affect its durability.
- When stacking bins, ensure they are stable and secure to prevent toppling.

## Instructions for Installation and Usage

### Installation

#### 1. Prepare the Collection Bin:

- Ensure the cartridge collection bin is clean and free from obstructions.

#### 2. Insert the Case Bin Stopper:

- Align the stopper with the front opening of the cartridge collection bin.
- Gently push the stopper into place until it is securely fitted.

#### 3. Check Stability:

- Ensure the stopper is firmly in position and does not move when pressure is applied.

### Usage

#### 1. Loading Cartridges:

- Load cartridges into the collection bin carefully to avoid spills.
- Use the stopper to keep cartridges from rolling out when the bin is nearly full.

#### 2. Stacking Bins:

- When stacking multiple bins, ensure they are aligned properly and that the stopper does not obstruct the stacking mechanism.

### **3. Removing the Stopper:**

- To remove the stopper, gently pull it out from the front of the collection bin, ensuring you do not spill any cartridges.

## **Disposal Instructions**

- Dispose of the ARMANOV Case Bin Stopper responsibly at a recycling center that accepts aluminum materials.
- Do not dispose of the product in general waste. Follow local regulations for disposal of metal products.

## **Contact Information for Further Support**

For any inquiries or support regarding the ARMANOV Case Bin Stopper, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for prioritizing safety and efficiency in your reloading process!
