## Description

Our AR10 Triggers are built for top competitive shooters to offer the most accurate and dependable trigger on the market. Featuring Frictionless Release Technology™, this drop-in AR trigger has a short, two-stage action, designed to feel like a 1911 trigger, that provides a true zero-creep break, extremely short overtravel, a sub 0.015" tactical reset and offers outstanding reliability, even in the harshest environments. Changing the pull weight does not affect hammer force so you get dependable primer strikes at every weight. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots than you ever thought possible.

## Attributes

- Name: [TRIGGERTECH AR10 - Black Competitive Flat](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2009991
- Mfr. No.: ART-TBB-33-NNF
- Style: Flat
- Weapon type: AR .308
- Delivery weight: 0.13kg
- Shipping height: 38mm
- Shipping width: 102mm
- Shipping length: 140mm

# TRIGGERTECH AR10 Black Competitive Flat Safety Instruction Guide

## Introduction

Thank you for choosing the TRIGGERTECH AR10 Black Competitive Flat Trigger. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your product. Please read this document thoroughly before installation and use.

## General Safety Guidelines

- Ensure that the trigger is installed by a qualified gunsmith or knowledgeable individual.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Keep the trigger and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the trigger and firearm for any signs of wear or damage.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearms and their components.

## Specific Safety Precautions for Use

- Do not modify the trigger or any of its components; modifications can affect performance and safety.
- Ensure that the firearm is unloaded before installing or adjusting the trigger.
- Be cautious of the pull weight adjustments; improper settings can lead to unintentional discharges.
- Avoid using the trigger in extreme conditions without proper maintenance, as this may affect its reliability.
- Always use appropriate protective gear while handling and firing the firearm.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is completely unloaded.
- Remove the existing trigger according to the manufacturer's instructions.
- Carefully install the TRIGGERTECH AR10 trigger into the firearm's lower receiver.
- Follow the manufacturer's guidelines for securing the trigger in place.
- Adjust the pull weight as desired, ensuring it remains within safe limits.

### 2. Usage

- Familiarize yourself with the trigger's operation before firing.
- Practice safe shooting techniques, including proper stance and grip.
- Always keep the firearm pointed in a safe direction when loading or unloading.
- After each use, clean and maintain the trigger and firearm according to the manufacturer's recommendations.

## Disposal Instructions

- Dispose of the trigger and any components in accordance with local regulations.
- Do not throw the trigger in regular household waste; consider recycling options if available.
- Ensure that all components are safely disposed of to prevent accidental use.

## **Contact Information for Further Support**

For any questions or concerns regarding safety or product performance, please refer to the manufacturer's contact information provided with your purchase.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your TRIGGERTECH AR10 Black Competitive Flat Trigger. Thank you for your commitment to safety and responsible firearm use.
