AVAILABLE

The SIG MCX Trigger is built for top competitive shooters to offer the most accurate and dependable trigger on the market. Featuring Frictionless Release Technology™, this drop-in AR trigger has a short, two-stage action, designed to feel like a 1911 trigger, that provides a true zero-creep break, extremely short overtravel, a sub 0.015" tactical reset and offers outstanding reliability, even in the harshest environments. Changing the pull weight does not affect hammer force so you get dependable primer strikes at every weight.

Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots than you ever thought possible.

Attributes

- Name: [TRIGGERTECH MCX - Black Adaptable Curved](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010005

Safety Instruction Guide for TRIGGERTECH MCX Black Adaptable Trigger

Introduction

Thank you for choosing the TRIGGERTECH MCX Black Adaptable Trigger. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this guide carefully before installation and usage to avoid potential hazards.

General Safety Guidelines

- The TRIGGERTECH MCX Trigger is designed for competitive shooting. Ensure you are familiar with safe shooting practices.
- Always treat every firearm as if it is loaded.
- Ensure the trigger is installed correctly and securely before use.
- Regularly inspect the trigger and firearm for any signs of wear or damage.
- Store the trigger and firearm in a secure location, away from children and unauthorized users.
- Report any unsafe products or accidents to local authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Only use the TRIGGERTECH MCX Trigger with compatible firearms as specified by the manufacturer.
- Avoid using the trigger in harsh environments that may affect its performance unless specified.
- Do not modify the trigger or its components. Unauthorized modifications may lead to malfunction or unsafe operation.
- Ensure proper maintenance of the trigger, including cleaning and lubrication as recommended by the manufacturer.
- Always wear appropriate safety gear, including eye protection, when using firearms equipped with the trigger.
- Keep fingers off the trigger until you are ready to shoot.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before starting the installation process.
- Follow the manufacturer's instructions for disassembling the firearm to access the trigger mechanism.
- Carefully remove the existing trigger and replace it with the TRIGGERTECH MCX Trigger, ensuring it is seated properly.
- Reassemble the firearm according to the manufacturer's specifications.
- Conduct a function check to ensure the trigger operates correctly before use.

2. Usage:

- Familiarize yourself with the trigger's operation, including its twostage action and reset features.
- Adjust the pull weight as needed, ensuring it does not affect hammer force.
- Practice safe handling and shooting techniques at all times.
- After each use, inspect the trigger for any signs of wear or damage.

Disposal Instructions

- Dispose of the TRIGGERTECH MCX Trigger in accordance with local regulations.
- Do not dispose of the trigger in regular household waste. Check for designated recycling or hazardous waste facilities in your area.
- Ensure that the trigger and any associated components are rendered unusable before disposal to prevent accidents.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or customer service resources. Ensure you have your product details ready for assistance.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your TRIGGERTECH MCX Black Adaptable Trigger. Thank you for your attention to safety.
