## Description

The Rem 700 Special is an upgraded version of the Primary model which further enhances accuracy and precision on any Remington 700 model rifle. Due to the exceptionally crisp break, most shooters report the pull weights feeling ~0.5lbs lighter than a friction based trigger of the same measured weight. Just like the Primary model, this drop-in trigger provides a true zero-creep break, extremely short overtravel and offers outstanding reliability, even in the harshest environments. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots more than you ever thought possible.

## Attributes

- Name: [TRIGGERTECH Rem700 Special - Right - No bolt release - Traditional Curved \(PVD Black\)](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010015
- Mfr. No.: R70-SBB-13-TNC
- Model: 700
- Style: Adjustable, Curved
- Weapon type: Remington
- Delivery weight: 0.15kg
- Shipping height: 38mm
- Shipping width: 102mm
- Shipping length: 140mm
- UPC: 885768000260

# TRIGGERTECH REM700 SPECIAL RIGHT NO BOLT RELEASE TRIGGER

## Introduction

Thank you for choosing the TRIGGERTECH Rem700 Special Right No Bolt Release Trigger. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your trigger. Please read this manual carefully before installation and usage.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure the trigger is installed correctly to prevent accidental discharges.
- Store the firearm and trigger in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the trigger and firearm for signs of wear or damage.
- Follow all local laws and regulations regarding firearms and their accessories.

## Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction when handling.
- Use the trigger with compatible Remington 700 model rifles only.
- Do not modify the trigger or firearm in any way that could compromise safety.
- Be aware of your surroundings and ensure a clear field of fire before shooting.
- If the trigger feels abnormal during use, cease operation immediately and inspect for issues.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger assembly from the firearm.
- Carefully install the TRIGGERTECH Rem700 Special trigger in accordance with the manufacturer's installation instructions.
- Confirm that all screws and components are securely fastened.
- Perform a function check to ensure proper operation before live fire.

### 2. Usage:

- Familiarize yourself with the trigger's operation before use.
- Practice proper shooting techniques to maximize the benefits of the trigger.
- Maintain a steady grip and position when pulling the trigger to enhance accuracy.
- Use the trigger in a safe and controlled environment.

## Disposal Instructions

- Dispose of the trigger and any associated components in accordance with local regulations.
- Do not dispose of the trigger in regular household waste.
- Consider contacting a local firearms dealer or recycling facility for proper disposal options.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the TRIGGERTECH Rem700 Special trigger, please refer to the manufacturer's website or customer support resources.

## Conclusion

Your safety is our top priority. By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your TRIGGERTECH Rem700 Special trigger. Always prioritize safety and responsible firearm handling.
