## Description

The Rem 700 Special is an upgraded version of the Primary model which further enhances accuracy and precision on any Remington 700 model rifle. Due to the exceptionally crisp break, most shooters report the pull weights feeling ~0.5lbs lighter than a friction based trigger of the same measured weight. Just like the Primary model, this drop-in trigger provides a true zero-creep break, extremely short overtravel and offers outstanding reliability, even in the harshest environments. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots more than you ever thought possible.

## Attributes

- Name: [TRIGGERTECH Rem700 Special - Right - No bolt release - Straight Flat \(PVD Black\)](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010016
- Mfr. No.: R70-SBB-13-TNF
- Model: 700
- Style: Adjustable
- Weapon type: Remington
- Delivery weight: 0.14kg
- Shipping height: 38mm
- Shipping width: 102mm
- Shipping length: 140mm
- UPC: 885768000277

# TRIGGERTECH REM700 SPECIAL RIGHT NO BOLT RELEASE TRIGGER Safety Instruction Guide

## Introduction

Thank you for choosing the TRIGGERTECH REM700 SPECIAL RIGHT NO BOLT RELEASE TRIGGER. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Ensure that the trigger is installed by a qualified gunsmith or individual with adequate knowledge of firearm components.
- Always treat firearms with respect and handle them safely.
- Keep the trigger and firearm out of reach of children and unauthorized users.
- Inspect the trigger and firearm regularly for signs of wear or damage.
- Always follow the manufacturer's instructions for the use and maintenance of your firearm.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Do not use the trigger if it appears damaged or malfunctioning.
- Ensure that the firearm is unloaded before installation or maintenance.
- Always wear appropriate eye and ear protection when using firearms.
- Be cautious of any potential hazards in your shooting environment, such as bystanders or obstacles.
- Avoid using the trigger in extreme weather conditions that may affect its performance.
- Do not modify the trigger or firearm in any way that could compromise safety or performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the existing trigger according to your firearm's manual.
- Follow the manufacturer's instructions to install the TRIGGERTECH REM700 SPECIAL trigger securely.
- Verify that the trigger is functioning correctly before using the firearm.

### 2. Usage:

- Familiarize yourself with the trigger's function and operation before shooting.
- Practice using the trigger in a safe environment to understand its characteristics.
- Always maintain proper shooting stance and grip while using the firearm.
- Monitor the trigger pull and ensure it operates smoothly without any resistance.

## Disposal Instructions

- Dispose of the trigger and any associated materials in accordance with local regulations.
- Do not dispose of the trigger in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact details provided with your product packaging or visit the official website.

By following these guidelines, you can help ensure a safe and enjoyable experience with your TRIGGERTECH REM700 SPECIAL RIGHT NO BOLT RELEASE TRIGGER. Thank you for your attention to safety.
