

# Rem700 Special - Left - No bolt release - Straight Flat (Stainless)

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

## Material Details

1. Housing: 7075 Aluminum (anodized)
2. Key Components: 440C Stainless Steel
3. PVD Black – PVD stands for Physical Vapour Deposition. It is a hard and durable coating that is applied to external stainless components to give them a clean black color.

## Description

The Rem 700 Special is an upgraded version of the Primary model which further enhances accuracy and precision on any Remington 700 model rifle. Due to the exceptionally crisp break, most shooters report the pull weights feeling ~0.5lbs lighter than a friction based trigger of the same measured weight. Just like the Primary model, this drop-in trigger provides a true zero-creep break, extremely short overtravel and offers outstanding reliability, even in the harshest environments. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots more than you ever thought possible.

# TRIGGERTECH REM700 SPECIAL LEFT NO BOLT RELEASE TRIGGER Safety Instruction Guide

## Introduction

Thank you for choosing the TRIGGERTECH Rem700 Special Left No Bolt Release Trigger. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read it carefully and keep it for future reference.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before installing or using this trigger.
- Always treat your firearm as if it is loaded, even if you believe it to be unloaded.
- Keep the firearm pointed in a safe direction at all times.
- Store your firearm and ammunition safely, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that you have a clear line of sight when firing.
- Always wear appropriate safety gear, including eye and ear protection, when using your firearm.
- Regularly inspect your trigger and firearm for signs of wear or damage.

## Specific Safety Precautions for Use

- Only use the TRIGGERTECH Rem700 Special trigger with compatible Remington 700 model rifles.
- Do not attempt to modify or alter the trigger in any way.
- Ensure that the trigger is properly installed according to the provided instructions.
- Avoid using the trigger in extreme conditions where corrosion or damage may occur.
- If you experience any malfunction or irregularity, cease use immediately and consult a qualified gunsmith.
- Keep fingers off the trigger until you are ready to fire.
- Be aware that the trigger pull weight may feel lighter than traditional triggers; practice safe handling at all times.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger from the Remington 700 rifle.
- Carefully install the TRIGGERTECH Rem700 Special trigger following the manufacturer's instructions.
- Ensure all components are secure and properly aligned.
- Perform a function check to ensure the trigger operates correctly before using the firearm.

### 2. Usage:

- Familiarize yourself with the trigger's operation before engaging in live fire.
- Practice with the trigger in a controlled environment to understand its characteristics.
- Maintain a proper shooting stance and grip while using the firearm.
- Always follow local laws and regulations regarding the use of firearms.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the trigger in regular household waste.

- Check with local authorities or waste management facilities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or support regarding your TRIGGERTECH Rem700 Special trigger, please consult the manufacturer's website or customer service resources.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is paramount. Enjoy your shooting experience responsibly!
