

# Rem700 Special - Left - No bolt release - Straight Flat (PVD Black)

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

## Material Details

1. Housing: 7075 Aluminum (anodized)
2. Key Components: 440C Stainless Steel
3. PVD Black – PVD stands for Physical Vapour Deposition. It is a hard and durable coating that is applied to external stainless components to give them a clean black color.

## Description

The Rem 700 Special is an upgraded version of the Primary model which further enhances accuracy and precision on any Remington 700 model rifle. Due to the exceptionally crisp break, most shooters report the pull weights feeling ~0.5lbs lighter than a friction based trigger of the same measured weight. Just like the Primary model, this drop-in trigger provides a true zero-creep break, extremely short overtravel and offers outstanding reliability, even in the harshest environments. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots more than you ever thought possible.

# TRIGGERTECH REM700 SPECIAL LEFT NO BOLT RELEASE

## Safety Instruction Guide

### Introduction

Thank you for choosing the TRIGGERTECH Rem700 Special Left No Bolt Release. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. It is important to follow these guidelines to minimize risks and enhance your experience.

### General Safety Guidelines

- **Product Safety:** This trigger is designed for safe use with Remington 700 model rifles. Ensure compatibility before use.
- **Enhanced Recalls:** Stay informed about product recalls. You can check for updates on the EU's Safety Gate platform.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements.
- **Special Consumer Focus:** Keep this product out of reach of children and ensure that all users are trained in safe handling practices.
- **EU Contact Point:** For safety inquiries, refer to the product packaging or retailer for EU-based contact information.
- **Rapid Alerts:** Regularly check the Safety Gate system for updates on any unsafe products.

### Specific Safety Precautions for Use

- **Compatibility:** Ensure the trigger is compatible with your specific Remington 700 model.
- **Wear Protective Gear:** Always wear appropriate safety gear, including safety glasses, when handling firearms.
- **Avoid Modifications:** Do not modify the trigger or its components, as this can compromise safety and performance.
- **Storage:** Store the trigger in a secure location, away from moisture and extreme temperatures.
- **Regular Inspections:** Periodically check the trigger for wear or damage. If any issues are found, cease use immediately and consult a qualified gunsmith.

### Instructions for Installation and Usage

- **Installation:**
  1. Ensure the firearm is unloaded and pointed in a safe direction.
  2. Remove the existing trigger according to the manufacturer's instructions.
  3. Install the TRIGGERTECH Rem700 Special by following the installation guidelines provided with the product.
  4. Ensure all components are securely fastened and correctly aligned.
  5. Test the trigger in a safe environment to confirm proper function before use.
- **Usage:**
  - Always follow standard firearm safety rules:
  - Treat every firearm as if it is loaded.
  - Keep your finger off the trigger until ready to shoot.
  - Be aware of your target and what is beyond it.
  - After installation, adjust the trigger as needed for personal preference while ensuring it remains within safe operational limits.

- Practice dry firing in a safe environment to familiarize yourself with the trigger's feel and operation.

## **Disposal Instructions**

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of in regular household waste. Consult local authorities for proper disposal methods for firearms components.

## **Contact Information for Further Support**

For further assistance or inquiries about the TRIGGERTECH Rem700 Special, please refer to the product packaging or your retailer for the appropriate contact details.

By following these safety instructions, you can ensure a safe and enjoyable experience with your TRIGGERTECH Rem700 Special Left No Bolt Release. Always prioritize safety and responsible handling practices.
