

# Rem700 Primary Bottom Safety - Right - No bolt release - Straight Flat (PVD Black)

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

## Material Details

1. Housing: 7075 Aluminum (anodized)
2. Key Components: 440C Stainless Steel
3. PVD Black – PVD stands for Physical Vapour Deposition. It is a hard and durable coating that is applied to external stainless components to give them a clean black color.

## Description

The Rem 700 Bottom Safety is the ideal upgrade to improve accuracy and precision on any Remington 700 style rifle that requires a bottom safety. Featuring TriggerTech's Frictionless Release Technology™, this drop-in trigger provides a true zero-creep break, extremely short over-travel and offers outstanding reliability, even in the harshest environments. Due to the exceptionally crisp break, most shooters report the pull weights feeling ~0.5lbs lighter than a friction based trigger of the same measured pull weight. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots than you ever thought possible.

## Attributes

- Name: [TRIGGERTECH Rem700 Primary Bottom Safety - Right - No bolt release - Straight Flat \(PVD Black\)](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010040
- Mfr. No.: R70-SBB-14-BNF
- Model: 700
- Style: Adjustable
- Weapon type: Remington
- Delivery weight: 0.14kg
- Shipping height: 38mm
- Shipping width: 102mm
- Shipping length: 140mm
- UPC: 885768001557

# TRIGGERTECH REM700 PRIMARY BOTTOM SAFETY USER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the TRIGGERTECH Rem700 Primary Bottom Safety. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure the product is installed by a qualified gunsmith or experienced individual.
- Always follow the manufacturer's instructions for proper use and maintenance.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for wear or damage, and replace it if necessary.
- Do not modify the product in any way that could affect its safety or performance.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the TRIGGERTECH Rem700 Primary Bottom Safety with compatible Remington 700 style rifles.
- Ensure the firearm is unloaded before installation or adjustment of the safety.
- Be aware of your surroundings and ensure the firearm is pointed in a safe direction at all times.
- Avoid using the safety in wet or corrosive environments without proper care and maintenance.
- Understand the function of the safety and how it interacts with your firearm's operation.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is completely unloaded.
- Disassemble the rifle according to the manufacturer's instructions.
- Remove the existing bottom safety from the rifle.
- Install the TRIGGERTECH Rem700 Primary Bottom Safety by following these steps:
  - Align the safety with the designated slot on the rifle.
  - Secure the safety in place using the appropriate screws or fasteners.
  - Ensure that the safety functions correctly by testing it in both the "safe" and "fire" positions.
- Reassemble the rifle according to the manufacturer's instructions.

### 2. Usage:

- To engage the safety, push the lever to the "safe" position.
- To disengage the safety, push the lever to the "fire" position, ensuring you are in a safe environment to do so.
- Always verify the safety is engaged when the firearm is not in use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not discard the product in regular household waste.
- Contact your local waste management authority for guidelines on safe disposal methods.

## **Contact Information for Further Support**

For any inquiries or support regarding the TRIGGERTECH Rem700 Primary Bottom Safety, please refer to the manufacturer's website or contact their customer service.

By following these safety instructions, you ensure not only your safety but also the safety of those around you. Thank you for your attention to these important guidelines.
