## Description

The Rem 700 Bottom Safety is the ideal upgrade to improve accuracy and precision on any Remington 700 style rifle that requires a bottom safety. Featuring TriggerTech's Frictionless Release Technology™, this drop-in trigger provides a true zero-creep break, extremely short over-travel and offers outstanding reliability, even in the harshest environments. Due to the exceptionally crisp break, most shooters report the pull weights feeling ~0.5lbs lighter than a friction based trigger of the same measured pull weight. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots than you ever thought possible.

## Attributes

- Name: [TRIGGERTECH Rem700 Diamond Bottom Safety - Right - No bolt release - Traditional Curved \(PVD Black\)](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010044
- Mfr. No.: R70-SRB-02-BNC

# Safety Instruction Guide for TRIGGERTECH REM700DIAMOND BOTTOM SAFETY RIGHT NO BOLT RELEASE

## Introduction

Thank you for choosing the TRIGGERTECH Rem700 Diamond Bottom Safety Right No Bolt Release. This product is designed to enhance the performance and safety of your Remington 700 style rifle. It is important to read and understand this safety instruction guide to ensure proper usage and maintenance of the product.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the trigger and firearm securely, away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Regularly inspect the trigger for wear or damage before each use.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure the trigger is compatible with your Remington 700 style rifle before installation.
- Do not attempt to modify or alter the trigger in any way.
- Always use appropriate personal protective equipment (PPE) when handling firearms, including eye and ear protection.
- Be aware of your surroundings and ensure a clear shooting area.
- Avoid using the trigger in extreme weather conditions that may affect its performance.
- If you experience any malfunction, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation Instructions

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove the Old Trigger:** Follow the manufacturer's instructions for safely removing the existing trigger.
3. **Install the TRIGGERTECH Rem700 Diamond Bottom Safety:**
  - Align the trigger with the mounting points on the firearm.
  - Secure the trigger using the provided screws and tools, ensuring it is tightly fastened.
4. **Adjust the Trigger:** If applicable, adjust the trigger pull weight according to your preference and manufacturer guidelines.
5. **Function Test:** After installation, perform a function test to ensure the trigger operates correctly.

### Usage Instructions

- Familiarize yourself with the trigger's operation before use.
- Maintain a firm grip on the firearm while using the trigger.
- Do not rest your finger on the trigger until you are ready to shoot.
- Follow all standard firearm safety practices while using the trigger.

## **Disposal Instructions**

- Dispose of the product responsibly, in accordance with local regulations.
- Do not dispose of the trigger in regular household waste.
- Consider returning the product to the manufacturer for proper recycling or disposal.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's website or contact their customer support team directly.

By following these guidelines and instructions, you can ensure a safe and effective experience with your TRIGGERTECH Rem700 Diamond Bottom Safety Right No Bolt Release. Thank you for prioritizing safety and responsibility in your firearm handling.
