

# REM700DIAMOND BOTTOM SAFETY - RIGHT - NO BOLT RELEASE - TRIGGERTECH Rem700 Diamond Bottom Safety - Right - No bolt release - Pro Curved (PVD Black)

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

## Material Details

1. Housing: 7075 Aluminum (anodized)
2. Key Components: 440C Stainless Steel
3. PVD Black - PVD stands for Physical Vapour Deposition. It is a hard and durable coating that is applied to external stainless components to give them a clean black color.

## Description

The Rem 700 Bottom Safety is the ideal upgrade to improve accuracy and precision on any Remington 700 style rifle that requires a bottom safety. Featuring TriggerTech's Frictionless Release Technology™, this drop-in trigger provides a true zero-creep break, extremely short over-travel and offers outstanding reliability, even in the harshest environments. Due to the exceptionally crisp break, most shooters report the pull weights feeling ~0.5lbs lighter than a friction based trigger of the same measured pull weight. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots than you ever thought possible.

# Safety Instruction Guide for TRIGGERTECH REM700DIAMOND BOTTOM SAFETY RIGHT NO BOLT RELEASE

## Introduction

Thank you for choosing the TRIGGERTECH Rem700 Diamond Bottom Safety Right No Bolt Release. This product is designed to enhance the accuracy and precision of your Remington 700 style rifle. To ensure safe and effective use, please read and follow the safety instructions provided in this guide.

## General Safety Guidelines

- Always treat the firearm as if it is loaded, even if you believe it is not.
- Ensure that the trigger is installed correctly to prevent accidental discharge.
- Keep the trigger and firearm out of reach of children and unauthorized users.
- Regularly inspect the trigger for any signs of wear or damage.
- Be aware of your surroundings and ensure a safe environment when handling firearms.
- Follow all local laws and regulations regarding firearm use and safety.

## Specific Safety Precautions for Use

- When using the Rem700 Diamond Bottom Safety, be mindful of the following:
  - Ensure the firearm is pointed in a safe direction at all times.
  - Do not place your finger on the trigger until you are ready to shoot.
  - Be cautious of the trigger pull weight; it may feel lighter than expected.
  - Avoid using the trigger in wet or muddy conditions to maintain its reliability.
  - Do not attempt to modify or disassemble the trigger without proper guidance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before beginning the installation.
- Remove the old trigger assembly according to the manufacturer's instructions.
- Install the TRIGGERTECH Rem700 Diamond Bottom Safety by following these steps:
  - Align the trigger with the receiver of the firearm.
  - Secure the trigger in place using the appropriate screws and tools.
  - Doublecheck that the trigger is installed correctly and operates smoothly before use.

### 2. Usage:

- Familiarize yourself with the trigger's operation before using it in the field.
- Practice in a controlled environment to understand the trigger pull characteristics.
- Always wear appropriate eye and ear protection when shooting.
- After each use, clean and maintain the trigger to ensure its longevity and performance.

## Disposal Instructions

- Dispose of the trigger responsibly and in accordance with local regulations.
- If the trigger is damaged or no longer functional, do not attempt to repair it.
- Contact local waste management services for guidance on the proper disposal of firearm components.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the TRIGGERTECH Rem700 Diamond Bottom Safety, please refer to the official TRIGGERTECH website or your local retailer. Make sure to keep your purchase information handy for reference.

## **Conclusion**

Your safety is our priority. By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your TRIGGERTECH Rem700 Diamond Bottom Safety. Always prioritize safety and stay informed about best practices when handling firearms.
