## Description

The Rem 700 Special is an upgraded version of the Primary model which further enhances accuracy and precision on any Remington 700 model rifle. Due to the exceptionally crisp break, most shooters report the pull weights feeling ~0.5lbs lighter than a friction based trigger of the same measured weight. Just like the Primary model, this drop-in trigger provides a true zero-creep break, extremely short overtravel and offers outstanding reliability, even in the harshest environments. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots more than you ever thought possible.

## Attributes

- Name: [TRIGGERTECH Rem700 Special - Right - Bolt release - Traditional Curved \(Stainless\)](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010051
- Mfr. No.: R70-SBS-13-TBC
- Model: 700
- Style: Adjustable, Curved
- Weapon type: Remington
- Delivery weight: 0.14kg
- Shipping height: 38mm
- Shipping width: 102mm
- Shipping length: 140mm
- UPC: 885768000086

# TRIGGERTECH REM700 SPECIAL RIGHT BOLT RELEASE TRIGGER

## Introduction

Thank you for choosing the TRIGGERTECH REM700 SPECIAL RIGHT BOLT RELEASE TRIGGER. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before installation and usage to maximize safety and performance.

## General Safety Guidelines

- Ensure that the trigger is installed correctly according to the provided instructions.
- Always handle firearms with care and follow all standard firearm safety practices.
- Keep the trigger and firearm out of reach of children and unauthorized users.
- Regularly inspect the trigger for wear or damage before each use.
- Do not modify the trigger or use it in a manner inconsistent with its intended purpose.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### ○ Installation Precautions:

- Ensure the firearm is unloaded before beginning the installation process.
- Use appropriate tools to avoid damaging the trigger or firearm.
- Follow the installation instructions carefully to prevent malfunctions.

### ○ Usage Precautions:

- Always treat the firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure a safe shooting environment.
- Avoid using the trigger in adverse weather conditions that may affect its performance.

### ○ Maintenance Precautions:

- Regularly clean and maintain the trigger to ensure longevity and reliability.
- Store the trigger in a dry place to prevent corrosion.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools: screwdriver, torque wrench, etc.

#### 2. Remove the Existing Trigger:

- Follow the manufacturer's instructions to safely remove the existing trigger from the firearm.

#### 3. Install the TRIGGERTECH REM700 Special:

- Align the trigger with the mounting holes.
- Securely fasten the trigger using the appropriate screws and tools.
- Ensure that the trigger is properly seated and does not move.

#### **4. Adjustments:**

- Adjust the trigger pull weight according to your preference, following the user manual guidelines.

#### **5. Final Check:**

- After installation, perform a function check to ensure proper operation.
- Ensure that the trigger breaks cleanly and there is minimal overtravel.

## **Usage Instructions**

- When ready to shoot, load the firearm according to standard procedures.
- Maintain a proper shooting stance and grip.
- Aim at the target and gently squeeze the trigger to fire.
- After firing, keep the firearm pointed in a safe direction until you are ready to reload or cease firing.

## **Disposal Instructions**

- Dispose of the TRIGGERTECH REM700 Special in accordance with local regulations.
- Do not dispose of the trigger in regular household waste.
- Consider recycling options for metal components where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIGGERTECH REM700 SPECIAL RIGHT BOLT RELEASE TRIGGER, please refer to the manufacturer's website or contact your local dealer for assistance.
