

# Rem700 Special - Right - Bolt release - Straight Flat (Stainless)

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

## Material Details

1. Housing: 7075 Aluminum (anodized)
2. Key Components: 440C Stainless Steel
3. PVD Black – PVD stands for Physical Vapour Deposition. It is a hard and durable coating that is applied to external stainless components to give them a clean black color.

## Description

NO IMAGE  
AVAILABLE

The Rem 700 Special is an upgraded version of the Primary model which further enhances accuracy and precision on any Remington 700 model rifle. Due to the exceptionally crisp break, most shooters report the pull weights feeling ~0.5lbs lighter than a friction based trigger of the same measured weight. Just like the Primary model, this drop-in trigger provides a true zero-creep break, extremely short overtravel and offers outstanding reliability, even in the harshest environments. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots more than you ever thought possible.

## Attributes

- Name: [TRIGGERTECH Rem700 Special - Right - Bolt release - Straight Flat \(Stainless\)](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010052
- Mfr. No.: R70-SBS-13-TBF
- Model: 700
- Style: Adjustable
- Weapon type: Remington
- Delivery weight: 0.14kg
- Shipping height: 38mm
- Shipping width: 102mm
- Shipping length: 140mm
- UPC: 885768000093

# TRIGGERTECH REM700 SPECIAL RIGHT BOLT RELEASE TRIGGER Safety Instruction Guide

## Introduction

Thank you for purchasing the TRIGGERTECH REM700 SPECIAL RIGHT BOLT RELEASE TRIGGER. This guide provides essential safety information to ensure the proper use and maintenance of your trigger, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use with Remington 700 model rifles. Ensure you understand its operation before use.
- **Enhanced Recalls:** Be aware that if this product is found to be unsafe, you will receive standardized recall notices and remedies at no cost.
- **Online Shopping:** If purchased online, you are entitled to the same safety protections as if you bought it in a physical store.
- **Special Consumer Focus:** This product is not intended for use by children or vulnerable individuals. Ensure it is stored out of reach of such groups.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate EU contact point.
- **Rapid Alerts:** Stay informed about any safety alerts related to this product via the EU Safety Gate system.

## Specific Safety Precautions for Use

- **Read the Manual:** Always read and understand the user manual before installation and use.
- **Proper Handling:** Handle the trigger with care to avoid accidental discharge. Always treat it as if it is loaded.
- **Check Compatibility:** Ensure that the trigger is compatible with your specific Remington 700 model.
- **Inspect Regularly:** Regularly inspect the trigger for any signs of wear or damage. Do not use if damaged.
- **Use Correct Tools:** Use appropriate tools for installation and adjustments to prevent damage.
- **Avoid Modifications:** Do not modify the trigger in any way that could compromise safety or performance.
- **Store Safely:** Store the trigger in a secure location, away from children and unauthorized users.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing trigger from the rifle according to the manufacturer's instructions.
- Install the TRIGGERTECH REM700 SPECIAL trigger by following these steps:
  - Align the trigger in the trigger housing.
  - Secure it using the appropriate screws (included in the packaging).
  - Doublecheck that the trigger is firmly in place.

### 2. Usage:

- Before each use, verify that the trigger is functioning correctly.
- Practice safe shooting habits, including keeping your finger off the trigger until ready to shoot.
- Be aware of your surroundings and ensure a clear line of sight before firing.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consult local waste management authorities for proper disposal methods of firearms components.

## **Contact Information for Further Support**

For any questions or concerns regarding the use or safety of your TRIGGERTECH REM700 SPECIAL trigger, please consult the product manual or reach out to the retailer from whom you purchased the product.

Thank you for prioritizing safety while using your TRIGGERTECH REM700 SPECIAL RIGHT BOLT RELEASE TRIGGER. Enjoy your shooting experience responsibly!
