

# Rem700 Special - Right - Bolt release - Straight Flat (PVD Black)

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

## Material Details

1. Housing: 7075 Aluminum (anodized)
2. Key Components: 440C Stainless Steel
3. PVD Black – PVD stands for Physical Vapour Deposition. It is a hard and durable coating that is applied to external stainless components to give them a clean black color.

## Description

The Rem 700 Special is an upgraded version of the Primary model which further enhances accuracy and precision on any Remington 700 model rifle. Due to the exceptionally crisp break, most shooters report the pull weights feeling ~0.5lbs lighter than a friction based trigger of the same measured weight. Just like the Primary model, this drop-in trigger provides a true zero-creep break, extremely short overtravel and offers outstanding reliability, even in the harshest environments. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots more than you ever thought possible.

# TRIGGERTECH REM700 SPECIAL RIGHT BOLT RELEASE TRIGGER Safety Instruction Guide

## Introduction

Thank you for choosing the TRIGGERTECH REM700 SPECIAL RIGHT BOLT RELEASE TRIGGER. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the trigger is installed correctly according to the instructions provided.
- Always handle firearms with care and assume they are loaded until verified otherwise.
- Keep the trigger and firearm out of reach of children and unauthorized users.
- Regularly inspect the trigger for any signs of damage or wear.
- Report any unsafe products or accidents to local authorities.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Do not modify the trigger or any of its components.
- Ensure that the firearm is pointed in a safe direction at all times.
- Avoid using the trigger in wet or humid conditions to prevent corrosion.
- Do not use the trigger if it shows signs of malfunction or damage.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger according to the firearm manufacturer's instructions.
- Install the TRIGGERTECH REM700 SPECIAL trigger by following the manufacturer's installation guide.
- Verify that the trigger is securely installed and functions correctly before use.

### 2. Usage:

- Familiarize yourself with the trigger's operation before using it in the field.
- Practice using the trigger at a safe shooting range to understand its feel and performance.
- Always check the trigger pull weight and adjust if necessary, ensuring it meets your preferences and safety standards.

## Disposal Instructions

- Dispose of the trigger and its components in accordance with local regulations.
- Do not dispose of the trigger in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## Contact Information for Further Support

For any inquiries or concerns regarding the TRIGGERTECH REM700 SPECIAL RIGHT BOLT RELEASE TRIGGER, please refer to the manufacturer's contact information provided in the product packaging or visit the official

website.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your TRIGGERTECH REM700 SPECIAL trigger. Thank you for your attention to safety.
