

Rem700 Special - Right - Bolt release - Pro Curved (PVD Black)

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Material Details

1. Housing: 7075 Aluminum (anodized)
2. Key Components: 440C Stainless Steel
3. PVD Black – PVD stands for Physical Vapour Deposition. It is a hard and durable coating that is applied to external stainless components to give them a clean black color.

Description

The Rem 700 Special is an upgraded version of the Primary model which further enhances accuracy and precision on any Remington 700 model rifle. Due to the exceptionally crisp break, most shooters report the pull weights feeling ~0.5lbs lighter than a friction based trigger of the same measured weight. Just like the Primary model, this drop-in trigger provides a true zero-creep break, extremely short overtravel and offers outstanding reliability, even in the harshest environments. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots more than you ever thought possible.

TRIGGERTECH REM700 SPECIAL RIGHT BOLT RELEASE TRIGGER Safety Instructions

Introduction

Thank you for choosing the TRIGGERTECH REM700 SPECIAL RIGHT BOLT RELEASE TRIGGER. This document provides essential safety instructions to ensure the safe use of this product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that all safety precautions are observed during the installation and use of this trigger.
- Familiarize yourself with the operation of your firearm and the specific model of the Remington 700 rifle.
- Always treat your firearm as if it is loaded, even when you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the trigger and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the trigger and firearm for any signs of wear or damage. If any issues are found, do not use the product until it has been repaired or replaced.
- Always follow local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Only use the TRIGGERTECH REM700 SPECIAL trigger with compatible Remington 700 model rifles.
- Ensure that the trigger is properly installed according to the instructions provided in this guide.
- Avoid using the trigger in extreme weather conditions or environments that may affect its performance.
- Do not modify the trigger or any of its components in any way. Unauthorized modifications can compromise safety and performance.
- Be aware of the trigger pull weight; it may feel lighter than traditional triggers. Practice safe handling and familiarize yourself with the trigger's characteristics before use.
- If you experience any malfunctions or irregularities, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Instructions

1. Prepare Your Workspace:

- Ensure you have a clean, welllit workspace free of distractions.
- Gather necessary tools, including a torque wrench and appropriate screwdrivers.

2. Remove the Existing Trigger:

- Unload the firearm and ensure it is safe.
- Disassemble the rifle according to the manufacturer's instructions to access the trigger assembly.
- Carefully remove the existing trigger from the rifle.

3. Install the TRIGGERTECH REM700 SPECIAL Trigger:

- Align the TRIGGERTECH trigger with the trigger housing.
- Secure the trigger in place using the provided screws. Follow the torque specifications as indicated in the product manual.
- Ensure that the trigger is functioning correctly by checking for smooth operation.

4. Reassemble the Rifle:

- Carefully reassemble the rifle according to the manufacturer's instructions.
- Conduct a safety check to ensure that the firearm is functioning correctly.

Usage Instructions

- Familiarize yourself with the trigger's operation before taking it to the range.
- Practice safe shooting techniques and maintain awareness of your surroundings at all times.
- Regularly check the trigger for proper function and any signs of wear.

Disposal Instructions

- Dispose of the TRIGGERTECH REM700 SPECIAL trigger in accordance with local regulations regarding the disposal of firearm accessories.
- Do not dispose of the trigger in regular household waste.
- If you are unsure how to dispose of the product, contact local authorities for guidance.

Contact Information for Further Support

For any safety inquiries or concerns regarding the TRIGGERTECH REM700 SPECIAL trigger, please contact the manufacturer or an authorized dealer. Ensure you have your product information ready for reference.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on responsible handling and use of your firearm and its components.
