

# Rem700 Special Two-Stage - Right - Bolt release - Straight Flat (PVD Black)

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

## Material Details

1. Housing: 7075 Aluminum (anodized)
2. Key Components: 440C Stainless Steel
3. PVD Black – PVD stands for Physical Vapour Deposition. It is a hard and durable coating that is applied to external stainless components to give them a clean black color.

## Description

Our most complex and technologically advanced trigger yet. Developed with the same unmatched zero-creep break, tactile pull weight adjustment (on both stages), rugged design, and no compromise engineering. Our focus on safety led us to develop the first Rem 700 trigger with four points of safety. This is a new level of performance and safety for those who prefer some movement before the wall. Four points of safety:

4. Ticker Blocker – prevents the ticker from moving while on safe.
5. Sear Blocker – prevents the sear from dropping while on safe.
6. First-Stage Lockout – the tumbler locks out the first stage while on safe. The first-stage will not move while on safe, giving the shooter immediate confirmation that the safety is engaged.
7. First-Stage Safety – even when on fire the first-stage blocks the ticker until the first-stage is actuated.

The adjustment feature utilizes externally accessible set screw for both stages. Due to the exceptionally crisp break the activation energy is less than friction-based triggers. Most shooters report the pull weights feeling significantly lighter than a friction-based trigger of the same measured weight. The triggers components are assembled as a matched set to enable a true zero-creep break, extremely short overtravel and offers outstanding reliability, even in the harshest environments. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots more than you ever thought possible.

## Attributes

- Name: [TRIGGERTECH Rem700 Special Two-Stage - Right - Bolt release - Straight Flat \(PVD Black\)](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010065
- Mfr. No.: R70-TCB-13-TBF
- Model: 700
- Style: Adjustable
- Weapon type: Remington
- Delivery weight: 0.14kg
- Shipping height: 38mm
- Shipping width: 102mm

NO IMAGE  
AVAILABLE

- Shipping length: 140mm
- UPC: 885768001656

# Consumer Safety Instruction Guide for TRIGGERTECH REM700 SPECIAL TWOSTAGE RIGHT BOLT RELEASE TRIGGER

## Introduction

Thank you for choosing the TRIGGERTECH REM700 SPECIAL TWOSTAGE RIGHT BOLT RELEASE TRIGGER. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your trigger. Please read this document carefully before installation and usage.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the trigger by following all instructions provided. This product is designed for nonfood applications and meets safety standards.
- **Enhanced Recalls:** Stay informed about any product recalls. If a recall occurs, follow the instructions provided for safe return or remedy.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please reach out to the designated EU contact point provided by the retailer.
- **Rapid Alerts:** Be aware of the Safety Gate system for updates on unsafe products related to your purchase.

## Specific Safety Precautions for Use

- **Read the Manual:** Always read the user manual before using the trigger to understand its operation and safety features.
- **Inspect Before Use:** Check the trigger for any visible damage or defects before installation. Do not use if damaged.
- **Safe Handling:** Always handle the trigger with care. Keep fingers away from the trigger mechanism when not in use.
- **Use in Appropriate Conditions:** Avoid using the trigger in extreme weather conditions that may affect its performance.
- **Follow Firearm Safety Rules:** Always adhere to general firearm safety rules when using this trigger.
- **Proper Installation:** Ensure that the trigger is installed correctly according to the instructions to avoid malfunction.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools for installation.
- Ensure you are in a safe and controlled environment.

### 2. Installation:

- Remove the existing trigger from the firearm according to the manufacturer's instructions.
- Install the TRIGGERTECH REM700 trigger by following these steps:
  - Align the trigger with the mounting points on the firearm.
  - Secure the trigger using the provided screws.
  - Ensure that all components are tightly fitted and there are no loose parts.

### 3. **Adjustment:**

- Use the externally accessible set screw to adjust the pull weight for both stages to your preference.
- Test the trigger in a safe environment to confirm adjustments.

### 4. **Usage:**

- Always ensure the firearm is pointed in a safe direction.
- Engage the safety features before handling the firearm.
- When ready to shoot, deactivate the safety and proceed with caution.

### 5. **PostUse Care:**

- Clean the trigger and surrounding area after use to ensure longevity.
- Store the firearm in a secure place when not in use.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly by recycling where possible.
- If the trigger becomes defective or is no longer in use, follow local regulations for the disposal of firearm components.
- Do not dispose of the trigger in regular household waste.

## **Contact Information for Further Support**

For any further inquiries or support regarding the TRIGGERTECH REM700 SPECIAL TWOSTAGE trigger, please refer to the retailer or manufacturer's contact information provided at the time of purchase.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your TRIGGERTECH REM700 SPECIAL TWOSTAGE trigger. Thank you for your attention to safety.
