

# Chassis - XRS - CZ 455 - RF - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The XRS Chassis is designed for shooters that want the fit and feel of a traditional shaped rifle stock with the benefits of a modern precision rifle chassis system. Each XRS Chassis is constructed from a full-length CNC machined core of 6061 aircraft grade aluminum wearing high strength textured polymer panels for insulation from the elements. The precision aluminum V-block bedding system ensures fit and function to maximize the accuracy of any rifle action. The XRS Chassis features a replaceable over molded and textured grip system, with both an angled grip and a vertical grip included in box.

The XRS Chassis is the most advanced and configurable crossover stock on the market and is the ideal performance upgrade for any factory rifle or foundation for a custom rifle build. Weighing in at 3.9lbs (depending on inlet), the XRS is ideal for both hunting or target rifles. The XRS features adjustable length of pull via spacers from 13.25" to 15+" and a quick adjust cheek piece to adjust for scope height over bore. The XRS accepts standard AICS pattern magazines and has an easy to manipulate ambidextrous magazine latch. The generous 12" long Forend comes with M-LOK slots built in for accessory mounting and attachment of ARCA or picatinny rails.

# MDT Chassis XRS Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Chassis XRS for your shooting needs. This guide provides essential safety instructions to ensure the proper use and maintenance of your product. Please read this guide carefully to understand the safety precautions and operational procedures.

## General Safety Guidelines

- **Product Safety:** Always ensure that the MDT Chassis XRS is used in accordance with the provided instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Follow the instructions provided in case of a recall.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety regulations equivalent to those of physical stores.
- **Special Consumer Focus:** This product is not intended for children. Ensure that it is kept out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Regularly check updates on the EU Safety Gate platform for information on product safety and recalls.

## Specific Safety Precautions for Use

- **Age Restriction:** This product is intended for use by individuals aged 18 years and older.
- **Proper Handling:** Always handle the MDT Chassis XRS with care. Avoid dropping or mishandling the product.
- **Firearm Compatibility:** Ensure that the chassis is compatible with your specific rifle model (CZ 455) before use.
- **Check for Damage:** Inspect the chassis for any signs of damage before installation. Do not use if damaged.
- **Secure Fit:** Ensure that the rifle is securely mounted within the chassis to prevent accidents during use.
- **Environmental Conditions:** Avoid using the chassis in extreme weather conditions that may affect its performance.
- **Regular Maintenance:** Perform regular checks and maintenance to ensure optimal performance and safety.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Gather all necessary tools and components required for installation.
2. **Remove Existing Stock:** Carefully detach the existing stock from your CZ 455 rifle.
3. **Install the XRS Chassis:**
  - Align the rifle action with the bedding system of the chassis.
  - Secure the rifle using the provided screws, ensuring a snug fit.
4. **Check Fit:** Ensure that the rifle is properly seated and that there are no gaps between the chassis and the rifle action.

### Usage

1. **Adjust Length of Pull:** Use the spacers to adjust the length of pull from 13.25" to 15+" as per your comfort.
2. **Adjust Cheek Piece:** Modify the cheek piece to accommodate your scope height over the bore for an

optimal sight picture.

3. **Magazine Loading:** Use standard AICS pattern magazines and ensure they are properly seated in the chassis.
4. **Accessory Mounting:** Utilize the MLOK slots on the forend for mounting accessories securely.
5. **Safety Check:** Always perform a safety check before firing. Ensure the rifle is pointed in a safe direction and that the safety mechanism is engaged.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the chassis and any components in accordance with local regulations regarding electronic waste and materials.
- **Recycling:** Where possible, recycle materials such as aluminum and polymer to reduce environmental impact.
- **Local Guidelines:** Consult local waste management authorities for specific disposal instructions.

## Contact Information for Further Support

For further assistance, please refer to the manufacturer's contact information provided with your product. Ensure you have your product details available for efficient support.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your MDT Chassis XRS. Thank you for your attention to these important guidelines.
