

# Rails - Savage - MDT - Rails - 30 MOA - Savage SA

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

MDT's Scope Base Picatinny Rails are a precise and reliable solution when it comes to mounting a scope on your bolt action rifle.

MDT's Scope Base Picatinny Rails are designed to make the mounting of your optics easier. They are machined from 6061-T6 aluminum, then hard-anodized black for a durable finish. The underside of the rails are profiled to allow the rail to be mounted flush on the receiver and to match the geometry of the ejection port. These rails are designed with a 30 MOA incline providing additional elevation adjustment from your scope\*. A recoil lug has been integrated in the underside rail profile on models where the action's design allows for this feature.

# Safety Instructions for MDT Rails Savage MDT Rails 30 MOA Savage SA

## Introduction

Thank you for choosing the MDT Scope Base Picatinny Rails. This product is designed to enhance your shooting experience by providing a reliable and precise mounting solution for your scope. Please read and follow these safety instructions carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose: mounting scopes on bolt action rifles.
- Always handle firearms and accessories with care to prevent accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the rifle is unloaded before installing or adjusting the scope.
- Use proper tools for installation to prevent damage to the product or the rifle.
- Avoid overtightening screws, as this may lead to damage or malfunction.
- Ensure that the mounting surface is clean and free from debris before installation.
- Do not modify the product in any way that may affect its safety or performance.
- If you experience any issues with the product, cease use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a torque wrench, screwdriver, and any specific tools recommended by the rifle manufacturer.
- Ensure that the workspace is clean and welllit.

### 2. Installation:

- Place the MDT Scope Base Picatinny Rail on the receiver of your bolt action rifle.
- Align the rail with the ejection port and ensure it sits flush against the receiver.
- Secure the rail using the provided screws. Tighten them gradually in a crisscross pattern to ensure even pressure.
- Refer to the rifle manufacturer's specifications for recommended torque settings.

### 3. Scope Mounting:

- Attach your scope to the rail according to the scope manufacturer's instructions.
- Ensure that the scope is level and securely fastened to the rail.

### 4. PostInstallation Check:

- Inspect the installation to ensure that everything is secure and properly aligned.
- Perform a function check of the rifle to ensure that the ejection port is unobstructed.

## **5. Usage:**

- Always follow safe shooting practices when using the rifle.
- Regularly check the tightness of the rail and scope during use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding aluminum and metal waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer in use, consider recycling the materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT Scope Base Picatinny Rails, please reach out to the designated contact point provided with your purchase. Ensure you have the product details available for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT Scope Base Picatinny Rails. Thank you for prioritizing safety and compliance with EU regulations.
