

# Rails - Savage B22 - MDT Accessories - Rails - 50 MOA - Savage B22

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

MDT's Scope Base Picatinny Rails are a precise and reliable solution when it comes to mounting a scope on your bolt action rifle.

MDT's Scope Base Picatinny Rails are designed to make the mounting of your optics easier. They are machined from 6061-T6 aluminum, then hard-anodized black for a durable finish. The underside of the rails are profiled to allow the rail to be mounted flush on the receiver and to match the geometry of the ejection port. These rails are designed with a 50 MOA incline providing additional elevation adjustment from your scope\*. A recoil lug has been integrated in the underside rail profile on models where the action's design allows for this feature.

# MDT Rails Savage B22 Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Scope Base Picatinny Rails for your Savage B22 rifle. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read and follow all instructions carefully to prevent accidents and injuries.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle firearms with care and follow basic gun safety rules.
- Inspect the product before each use for any signs of damage or wear.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the relevant authorities.
- Stay updated on product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or use may lead to accidents, including misalignment of optics, which can affect shooting accuracy.
- **Avoiding Hazards:**
  - Ensure that the rifle is unloaded before installation or maintenance.
  - Do not attempt to modify the rails in any way.
  - Use only compatible optics and mounting accessories.
  - Verify that the rail is securely mounted before use.
- **Age-specific Warnings:** This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Locate the mounting points on the receiver of your Savage B22.
- Align the MDT Scope Base Picatinny Rail with the mounting points.
- Use the provided screws to secure the rail firmly. Do not overtighten as this may damage the rail or the receiver.
- Check that the rail is flush against the receiver and that there are no gaps.

### 2. Usage:

- After installation, mount your optic onto the rail, ensuring it is securely fastened.
- Adjust the optic as necessary to achieve the desired sight picture.
- Regularly check the tightness of both the rail and the optic during use.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is damaged beyond repair, dispose of it in a manner that prevents harm to the environment. Follow local electronic waste disposal guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT Scope Base Picatinny Rails, please reach out to your local dealer or manufacturer. Ensure that you have the product details and any relevant information ready to assist in addressing your inquiries.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the MDT Scope Base Picatinny Rails for your Savage B22 rifle.
